Proceedings of the Board of Revenue.
(Land Revenue).

Dated 9th July 1897. No. 2516 Mis.

Read letter from the Collector of Madras, Ref. on No. 5/P

of 1897, dated 23rd June 1897, proposing an exchange of lands with the Madras Municipality at Tondiarpet and the leasing out of certain land for the construction of chunam kilns by private individuals.

Resolution No. 4 (52)

Submitted for the orders of Government.

2. Of the 20 cawnies of land granted to the Madras Municipal Commissioners for the formation of rubbish depots at Tondiarpet under G.O. No. 4457 Mis. dated 16th November 1894, the Collector proposes to resume a portion covering 5 cawnies 1 ground 900 sq. ft. - and to assign it to the chunam merchants of Madras on ground rent tenure. The Municipal Commissioners are willing to part with the land on the condition that an equal extent of the adjoining Government land is granted in exchange and the Collector recommends that the exchange may be sanctioned. In view of the fact that the chunam kilns have stood on Govt land for nearly a century and of the difficulty of selecting a new site fit for burning lime on, the Board supports the Collector's recommendations. A sketch shewing the land to be resumed and the manner in which it is to be appropriated accompanies these Proceedings.

3. The Collector is apparently in favor of the Dy. Collec-

tor's

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Order thereon No.4177 Mis. dated 10th August 1897.

The Government does not consider it fair to levy any -
ground rent on the land which will form the site of a canal or a -
road to connect the Cochrane's canal with the lime-kilns. With this
exception the Board's proposals in paragraphs 2 and 3 of its Pro-
ceedings read above are sanctioned.

tor's proposal that no ground rent should be levied on 1 caw. 5 grd.
and 900 sq.ft. of land which will form the site of a canal or a road
to connect the Cochrane's canal with the lime-kilns. The Board con-
siders, however, that the ground rent of Rs.2 per ground should be
levied on the entire area of 5 caw. 1 grd. and 900 sq.ft.

Consulting Engineer for Railways for information with reference to
Board's Proceedings 678/Mis. dated 20th February 1897 and 1557/Mis.
