NOTE FOR THE Secretary

It is submitted that it will not be enough simply to lodge this paper. In his letter No. B/B 4270, dated 15th March 1897, the Deputy Adjutant General requested the Sanction of Government to the transfer of a sum of Rs 900/ to the major head "Maintenance and Repairs", in the budget Estimate for 1896-97, of the Cantonment Fund of Saint Thomas' Mount. This letter is stated to have disappeared, and a copy of it has been obtained from the Deputy Adjutant General. The proviso to clause (1) of Rule 5 of the Cantonment Rules lays down that "no allotment
" to any major head shall by re-
" -appropriation be varied by more
" than ten per cent of its original amount
" except with the previous Sanction of
" the Local Government." Now that the official year 1896-97, has already closed, it will be unnecessary to pass any orders on the re-appropriation of grants applied for, but the Deputy Adjutant General should, it is submitted, be informed accordingly.

NOTE ~~FOR THE CHIEF SECRETARY~~.

What has the Fuel / Ref. to say? What is the entry, if any, in his book of currents passed on?

CMS
19/7/97

Note for the C.A.

There is entry in the diary book showing that the Current (No. 902) was passed on to the Budget Clerk on the 20th. of March

DR
19-7-97

And the BC at X says that the paper was transferred

CMS
19-7-97

Note for the US (Mr. Knapp)

This relates to C. No. 902 Fuel. which has disappeared! Duplicate marked Y has been obtained. Will you please let me know if you ~~know~~ remember anything of the current. It came in whilst I was on leave.

CMS
19-7-97

No. I don't remember having seen it.

AK. 19/7/97

Note for the C.S.

No. 902.
Duplicate obtd (flagged Y)

This relates to a current registered in Financial Dept which has disappeared. The current was received whilst I was on leave and my attention was first called to it by its appearance in the Arrears list. ~~[illegible]~~ In spite of searching enquiries all that can be ascertained is that the paper was referenced & sent to the Budget Clerk on 20th March. The B.C. states that his recollection is that the paper was transferred to the Dept. which dealt with the original Cantonment Fund Budget. i.e. L & M. The L & M. Dept. states that it has not recd: the paper and there is no entry in any of our Registers to show that it has gone over. The U.S., who dealt with such papers during my absence on leave, does not remember having seen the paper.

Orders are solicited.

The paper relates to the Cantonment budget of 1896. 97 and the re-appropriation asked for will be somewhat late!

CWS
20/7/92

Whatever may be the B C's recollection there is no proof of transfer from him. It is proved that the paper went to him and beyond him all trace of it is lost. I have but small doubt that he has it [illegible] somewhere or the other. Can anything be done now that the off. year is over? [illegible] do not deal with the matter at any rate in the first instance [illegible] 20/7/92

With ref. to C.S.'s remarks please make a thorough search & report soon.

CWS
20.7.92

A thorough search has been made; but the paper must have miscarried & been lost & not in the current depts. When I said the paper was transferred, all I meant was that ~~I~~ I refused to take the paper in Fin, & returned it through the attender who brought it, saying that it was wrongly registered in Fin & must be transferred to some other dept, being registered afresh in Public or other dept which dealt with the original budget. I had no idea that L & M. was dealing with Cantonment budgets. Lots of papers have been returned in this way, (some under C.S.'s instructions) & registered afresh. In any case these papers have nothing to do with Fin [illegible] the [illegible].

Submitted to the C.S.

The paper really belongs to [illegible] the [illegible] & not to us & we have no right to lodge the file except with the concurrence of that dept. The disappearance is mysterious and I am sorry that I can throw no light on it as I was on leave at the time of ~~its~~ receipt of the paper. – My practice is to have all papers in the P.R. & Jud. Dept. sent to me immediately they are sorted after receipt before registry & in cases where it is proposed to register a current wrongly in either of these Depts are stopped at once. This is what B.C. alludes to. In this case, however, the paper was not re-registered
