ORDER. No. 1922 M. mis. of 29.27.

The byelaws proposed by the municipal Council should be published in the Chingleput District Gazette with the alterations noted below as required by subsection (1) of section 256 of Act IV of 1884, as amended by Act III of 1897.

(1) In byelaw 9. insert the word "shall" between "or" and "wash". The clause "no person shall remain without reasonable excuse near a public fountain, stand pipe or tap to the annoyance of those who come to draw water and" should be omitted, as such a provision is provided for in the primary law ~~unsuccessfully attempted~~ and is ~~regulating the conduct of people in public places~~ ^{being irrelevant & unnecessary}.

(2) The proposed byelaw 10 is unnecessary and should be

mitted. This byelaw would apparently give the municipal Council power to set apart public fountains for the use of particular sections of the community. The fountains being erected out of general taxation, the Council cannot assign them for the convenience of any particular class of people.

(3) In byelaw 12, substitute the word ~~bailed~~ for "bailed." is a misprint for "baled"

(4) In byelaw 13, for "and to a fine not exceeding Rs 10 for every day or part of a day during which the breach is continued after such conviction" read "and to a further fine, not exceeding Rs 10 for every day or part of a day, after the date of the first conviction, on which the accused is subsequently convicted of having persisted in committing the breach."

2. After the lapse of the period specified in the notification publishing them, the byelaws should, as finally adopted by the Council, be submitted to Government for confirmation under sub-section (3) of section 255 of the Act.
