From
M.R.Ry K. B. Kilachalam Pantulu Esq.
Chairman, Municipal
Council, Bimlipatam.
To
The Secretary to Government
Local and Municipal Department
Madras.

Sir,
Adverting to your Official Memorandum no 818 dated 3rd August 1897, on the Municipal Report for 1896-97, I have the honor to submit the following explanation with regard to the objections raised therein.

1. In fair copying the statement I A, the sum of Rs 21 was omitted by oversight in column 17.
2. The school fees amounting to Rs 84-6-0 refunded to the boys of the 4th Form, should not have been included under contingent charges. As there is not a separate column for refunds, it was included under contingent charges. Whether this amount will be included under the heading (Contingent charges) or whether it will be included in the actuals, a remark, at any rate is quite necessary, and accordingly a remark in the foot-note was written for thus including.
3. At the time of preparing the Statement II A, the sum of Rs 21, which was paid as an advance for benches to the Salary Result Schools was ^{not} included by oversight. Hence the discrepancy.

4. The statement VI A, in previous years, was being sent as a nil statement. The same was followed this year on the understanding that it would only be sent along with the Budget.

5. The number of fukka latrines at the beginning of 1896-97 was 4 and in the same year 3 temporary tatty latrines were constructed with the latrines purchased in 1895-96. No explanation can be given for what reason 9 latrines were shown in Column 8 of statement VI in 1895-96. There are now in the town 4 fukka latrines and 3 temporary tatty latrines, thus making a total of 7 latrines.

6. As there are no investments in this Municipality a memorandum was not submitted. A nil statement is herewith enclosed.

7. The receipts from taxation including and excluding tolls are given as Rs 10317 and Rs 4987 respectively as per statement VI A Column 4, as has been the case hitherto. Hence the difference.

The numbers namely 363 boys and 5 girls as shown in statements VI A & VI B are correct. In fair copying the report, wrong numbers namely 404 boys and 7 girls were entered by oversight.

I have the honor to be
Sir
Your most obedient servant
M. S. Chakrabarti
Chairman, M. C.
