Extract from the Inspection notes of the
Inspector of Vaccination and the Deputy Sanitary
Commissioner, for Madras, of the town
of Erode

No 10. Licensed Trades Licenses are issued to
the following: oil Mills, Bamboo shops, Timber
Depots. Salt fish stalls &c. but no conditions
are laid down as to the Sanitary Condition
of these places. It would be as well also to license
Butchers, bakers, dhobies, hide stores &c and
to apply to the Sanitary Commissioner for
Model Byelaws for each trade and to see that
the licensees abide by these laws under pain of
forfeiture of license. I examined the 3 bakeries
and found them in the following state:—

Mariyappa Pillay grinds the flour on the earthen
floor of a living room without light or ventilation.
The owner is in a closed verandah. Kothandaramaiah's
bakery has earthen floor and walls, the flour is
ground in the verandah of a house and kept
in Chattris in a bed room; the premises are, however
somewhat cleaner than the first bakery. Rami
Pillay's bakery was in much the same state
flour is stored in the verandah.
