Sir,

I have the honor to submit that the revised rules sanctioned in G.O dated 2nd November 1896, No 1864 M. has failed to realize the results expected at the time in as much as the number of subscribers has fallen from 40 to 13 and there has not been corresponding increase in the Collection of the cost of medicine. On the other hand the income has greatly fallen down.

2. The Council after fully Considering the matter, resolved to revert to the old rule which worked satisfactorily.

The Collector of Kelore.

Sir,

With reference to your letter Ref no 701 Aug dated 14th August 1897, I have the honor to submit the following.

2. Under the old rules, the subscribers were not required to pay the cost of medicines supplied to them, while under the revised rules they had to pay not only the usual subscriptions but also the cost of medicines though at moderate rates. Almost all the subscribers who had been paying subscriptions whether they received medicines or not have therefore withdrawn as they thought it unnecessary to pay voluntary subscriptions without securing any advantages in return. The consequence

has been a serious fall in the income.

3. Besides many gentlemen have since been attending the hospital in person and they cannot be charged for the medicine received, under rule 1.

4. In these circumstances the Council thought it advantageous to revert to the old rules.

I have the honor to be,
sir,

Your most obedient servant,
