There are many mutts in Palni town owned by different communities. The petre, as oilmongers own a mutt which is used as a place of residence by men of that community visiting the town on festival times from different parts of the Presidency. Besides this the worship of Nandagudapani Swami of Swaminalai is carried on in the mutt and an endowment with an annual income of Rs 200 has been made for the purpose. Some time ago the petre presented a petition to the Municipal Council praying for permission to have the mutt repaired at their own cost. But as some of the officials attached to the Municipality and the Municipal Councilor of their ward are enemies of the petre, they were told in an end that they has no claim to the mutt in question. The petre are in possession of records to prove their right to the mutt. They therefore pray that Govt will be pleased to direct the Taluk Board to permit them to have repairs executed to the mutt.
