Sir

With reference to your Memo No 356 dated
30. 3. 97 I have the honor to state that on the
6th September 1895 when Ellene was flooded
I was deprived of my free quarters on account
of the damage done by the floods and consequently
I was obliged to seek a house for my lodge.
Just at that time I am sorry to say I could
not get one either in Ponerpet or Rukhwarpet
the only two localities close to Hospital. The
only house that was vacant and of strong
build and high level was the one occupied
by me to rescue my life and property, though
for a high rate of rent. The Municipal
Council considering the necessity and the
circumstances under which I was led to
occupy a house on a rent of Rs 15, though
for the time, consented in a meeting to
pay

Regd 2

pay for this house rent for that month knowing that
no house of any description could be had on account
of floods for even a large sum of rent, as all the
houses were damaged and rendered quite unfit
to live in. It is not out of place for me to say
that the amount of Rs 15 paid here as house
rent, I have not enjoyed even a part of it
but paid it to the owner of the house. And
that I am put to a loss of Rs 5 every month from
want of free quarters and from the absence of
any house within the prescribed distance of 200
yards from the Hospital building is a fact
too well known to the Council. I therefore
request you will be good enough to consider
my case as a special one and the circumstances
and necessity under which the sum of Rs 15 was
paid as house rent, and cancel the sum of
Rs 10 which was paid in excess and which I
am now required to refund and save me
the loss which if not will be an addition
to that I have already sustained as payment
of house rent of Rs 5 every month from absence
of free quarters.

CHAIRMAN,

MUNICIPAL COUNCIL, ELLORE.

To,
The Secretary to Government
Local and Municipal Department
Madras

Sir,
In submitting herewith letters nos 123 and 280 dated 31-3-97 and 20-7-97 from the Hospital Assistant, Ellore, regarding the payment of house rent of Rs 10 in excess of the amount allowed to the Hospital Assistant, together with an extract from the Proceedings of the Municipal Council of 14-8-97, I have the honor to inform that when Poonjipeta was flooded during 1896, the Hospital Assistant and the patients of the Hospital were both accommodated in a building near the Hospital when water came into the Hospital bungalows and rent of Rs 15 was paid for one month as no other suitable house could be had at that time. The patients were removed after the Hospital bungalows became available and the Hospital Assistant alone lived there for some days more. The amount was paid and the Auditor objected to it.
2. Under these circumstances, I request that you may be pleased to move Government and obtain sanction for Rs 10 paid as house rent to the building occupied by the Hospital Assistant and the in-patients of the Hospital during the time of floods.

I have the honor to be
Sir,

Your most obedient servant

C. Sitaramayya
