Through the Sub-Collector Godavery.

Sir,

I have the honor to state that Nalam Pallappa farm, Manager of the Nagaram Choultry having requested the Council to grant him the site coloured yellow in the accompanying plan (measuring 74.86 sq. yds) which is a part of the street and which is thus Municipal property, in exchange for the portion coloured red (measuring 74.80 sq. yds) which belongs to him, the Council sanctioned the exchange (Vide Copy of the Council resolution enclosed). The street is crooked at present and the exchange now asked for will tend to the convenience

ruce of the public, as the street will be-
come straight on that account and
the Municipal Council will be a
gainer by this exchange the Muni-
cipal site asked for being equal
(except for a few inches.) in extent
to the site offered in exchange for it.

2. I therefore request
that you will be pleased to move
the Government to sanction the
exchange as requested.

I have the honor to be

Sir,
