Under the new act the powers that may be delegated to the Secretary are some of the powers of the chairman but the present chairman of Salem is paid, not elected, & the municipality apparently wants to have its elected chairman to decide which of his powers he would like to part with in favour of the Secretary

SIR,

In forwarding herewith the accompanying letter No 1197 of 10th July 1897 from the Municipal Chairman Salem and a copy of the Resolution in reference to having a paid Secretary I have the honor to make the following remarks.

2. In accordance with G.O. of the 31st May 1895 No 921 M. Mis; M. R. Ry. A. Pushpanatha Pillai was appointed as Municipal Councillor on the 25th June 1895 and Chairman on the 9th July 1895, He seems himself to think that he should be kept on for 3 years i.e till the 25th June 1898. The two other courses open are to appoint a paid Secretary as soon as possible or let the present Chairman stay on till the 1st April. This as the intermediate course the Municipality wish to adopt. If the

G.O. 1231 M / 31.7.95

the financial position of the Town was good I would have said that the Secretary's appointment might be deferred for the 3 years, but unfortunately the introduction of the amended District Municipalities Act lowers the income of the Municipality by some Rs 10,000 and apparently the Municipality are not taking steps to provide for the deficiency. ! On the other hand to ask the Chairman to resign now would inflict a great pecuniary loss on him. I do not see my way, even if I had the opportunity, of giving him any acting or confirmed appointment in this District on anything like his present pay.

3. In reference to the pay of the Secretary being fixed at Rs 175 — rising to Rs 200 I understand that the reason is that Officials permanent on Rs 120 think that if they should be selected as Secretary it would not be worth their while to accept less pay in consideration of their chances of getting on in the regular line.

I have the honor to be
Sir,
Your most Obt. Servant,
