Deposition given before the Tahsildar of Periyakulam on the 12th June 1897 by Kristnan chetty son of Veerabhadran chetty of Sankarai village.

The Municipality is said to require 10×9 feet of my house site (Survey No 163. Nattam Poramboke) for widening the Cumbum Road and for constructing drains for the free flow of the rain water in the Vanier (oilmongers) Street. As I have no other house to live in, I am not willing to give up the land to the Municipality on receipt of compensation therefor. I am willing to surrender the land if another land which is one and a half times as much in extent is given to me in exchange. If the land is to be sold, it would fetch a price of Rs 50 or 60. It is not in any way encumbered by mortgage, hypothecation &c.

In the place where it is proposed to open the Vanier Street, I have raised mud walls with thatch over it, as a Cattle shed, at a cost of Rs 7, which should also be paid for.

Deposition given on the 12th June 1897 before the Tahsildar of Periyakulam by Palaniandi Chetty son of Sankharalinga Chetty of Tenkarai

A small extent of 20 × 10 feet is required by the Municipality out of the full extent of the nattam poramboke, S. No 168, which measures 89 acres and 13 cents for opening the Vanier lane into the Cumbum road and for constructing drains for the rain water to flow through the lane. I have two houses therein - one facing to the north and the other facing to the East. I am now living in the latter. If I am to surrender the land in front of my other house occupied by my son-in-law, as proposed by the Municipality, the house becomes narrow. The house, I live in, faces to the East. As it is by the side of the Street, it is very convenient for me in carrying on my trade. I am not willing to part with it. I am prepared to surrender any portion of my land, if another land, which may measure one and a half times as much is given to me in exchange. I am unwilling to, sell the land on receiving compensation. I shall sell the front portion of my house which faces to the north for Rs 50. As the other house which faces to the East, is one that contains buildings. I shall sell it for Rs 100. I am willing to part with it only for an exchange but not for price

Deposition given on the 12th June 1897 before the Tahsildar of Periyakulam by Swamu chetty son of Vellian Chetty residing in the Sanier Street in Tenkarai village.

the Sanier Street lane in Tenkarai belongs to the municipality. It ends just west to Kristnan chetty's house. It is proposed to take up my land (Survey No 163 Nattam poramboke) and that belonging to Kristnan chetty for extending the lane East & west and for opening it into the Cumbum road and also for constructing drains for the free flow of the rain water of the lane. Its full extent is 89 acres and 13 cents. Out of my house site, an extent of 10×9 feet is required for the lane. I am not willing to sell it. I shall surrender the land to the municipality if the land, lying east and south of Palaniandi chetty, belonging to the municipality which should measure one and a half times as much, is given to me in exchange. I do not consent to sell the land on receiving compensation. It is worth Rs 50 as per the valuation of the adjoining lands. My house is longer north to south, and extends up to the new street. As my house is not wide enough, it is not enough to live in.

My land is not subject to any encum-brances.
