Sir,

In obedience to para. 2 in memorandum No 882 dated 19th Instant calling for explanation on the discrepancy noticed in clause (5) therein, I have the honor to submit that the deviation is due neither to an additional entertainment nor to a subsequent reduction in the number of scavengers sanctioned in G.O. No 302 M, dated 20th February 1896, but to a mere alteration in the payment of salaries to two scavengers owing to certain exigencies as explained underneath:-

2. In this Municipality, such of the scavengers as drag night-soil hand-carts in addition to their usual work are paid an extra rupee to their usual salary (Rs 5) per mensem; but when relieved of this

this additional work owing to certain changes, they
are not paid this rupee. In the case under reference,
owing to the abolition of the public latrine near the
market at the suggestion of the Civil Surgeon and the
Sanitary Commissioner who deemed the close proximity
of a public latrine to the market as detrimental to
sanitation and who therefore advised its removal, and
owing also to the removal, on sanitary grounds, of the
urinals attached to certain public latrines when these
were reconstructed, two scavengers - one employed on the
public latrine near the market and the other on the urinals
were not paid Rs 6 each per mensem from the date of
their removal as they had no longer the additional work
of dragging hand-carts and thus they were paid the
usual salary of Rs 5 each per mensem. Hence arose
the discrepancy pointed out in clause (5).

I have the honor to be,
Sir,
Your most obedient servant
