Sir,

With reference to para 4 (3) of G.O. No. 635, Mis. dated 20th March 1897 reviewing the Budget of this Municipality for the current year, I have the honor to state that I regret to note that Government has disallowed the increase proposed by the Council in the salary of the Malayalam Pandit of the Brennen College. I request that Government be pleased to reconsider its order in the case of the Pandit on the following grounds:-

(i). He has had a service of about 8 years now, while all the other members of the teaching staff of the College are annually given increments, he alone has received nothing beyond his initial salary viz. Rs 20.

(ii). Similar Pandits attached to other Second Grade Colleges, not to say that a few in High schools also are in receipt of a better salary. This of itself must suffice to shew that he is an under paid officer - a fact which has also year after year been brought to the notice of the Council by the Principal of the College.

Sir,

With reference to Memorandum (L and M) No. 587 dated 17th May 1897 enquiring whether the request contained in my Letter to Government No. 79 dated 29th April to reconsider its order regarding the increase proposed to the Salary of the Malayalam Pundit of the Brennen College, was made in accordance with a resolution of the Council, I have the honor to state that the subject was not placed before the Council, because it was thought superfluous to do so, as the Council had recommended the increase but recently in the budget proposals for the current year, and as it had also on three previous occasions (in the budget proposals for 1893-94, 95-96 and 96-97) recognised its necessity.

2. After the receipt of the Memorandum quoted above, I however placed the whole case before the Council at its meeting dated 20th July 1897 and it not merely ratified my action, but was also pleased to record the following resolution. "The Council unanimously sanction the increase applied for" as per extract herewith submitted.

3. I believe Government has been satisfied with the claims of the Pundit for the increase. I have therefore only to repeat my request that it will be

pleased

pleased to accord its sanction.
