The Government
is of opinion
~~considers~~ that an inexperienced
young man like the council's
who is an inexperienced young man
nominee is not the most suit-
able person for the appointment
of secretary. As the salary pro-
posed is ^{adequate} sufficiently handsome
to secure the services of a man of
practical
experience, the council is
requested to ^{reconsider their present nominee} select such a candidate
for the place for a candidate

with the qualification indicated. (From orders)

SUBJECT.

FOR ORDERS.

In its Proceedings
I No. 1914. m. dated 1st September 1897,
the Government sanctioned the
appointment of a secretary for
the Cocanada Municipal Council
on a salary of Rs 125, rising to Rs 150
by annual increments of Rs 5.

2. With the first of the letters
read above, the Chairman for-
wards a copy of the Council's re-
solution appointing M. R. G. L.
Karasimham, ^{G. L.} a graduate
in Arts and Engineering as secretary
on a salary of Rs 150 per mensem
including horse-allowance. With
the second letter he forwards
copies of testimonials ^{received} from the
Council's nominees.

3. The proposal to give
the Secretary a salary of Rs 150

inclusive of horse allowance,
amounts to granting him a horse-
allowance of Rs 25 per mensem
in addition to the initial salary
of Rs 125 fixed in G.O. No 1914-M, I
dated 1st September 1897, above
referred to, and this may be
approved considering that the
maintenance of a horse is ab-
solutely essential for the efficient
discharge of the outdoor duties
of the Secretary and that the
salary proposed viz. Rs 125 is not
large enough to meet this.

4. As regards the individual
selected for the place the Collector
observes in his endorsement on the
second letter read above as follows:-

" * * * * the nominee appears to
" be a young man just out of the
" Engineering College and though
" his training there should be enough
" to render him of much use to the
" Council in the matter of looking
" after the roads, &c, the Secretary of
" a Council has other duties to perform
" and whether so young and presumably
" inexperienced a man can discharge
" them satisfactorily is open to
" question" He therefore recommends

that his appointment may be
sanctioned on probation for one
year. This proposal may also be
approved. The draft order on
the current is submitted for approval.

H.H.

If he is to be on
probation it should be for
six months, & the Jll^d
R^d carefully note how
he gets on. But an
inexperienced youth
as the nominee is
is not the sort of person
most suitable for
the appt.

I quite agree - But the point
this out - The key is quite
enough to let a man of experience
