From the Acting Agent and Manager, Madras Railway Company, to the Officiating Consulting Engineer for Railways, dated Madras, 31st July 1897, No. E. 327/725.

With reference to correspondence ending with G.O., No. 1153 R., dated the 26th August 1893, I have the honour to inform you that the question of providing an over-bridge at the Elephant Gate level crossing for the convenience of foot passengers was re-opened by the President of Madras Municipality and, after some correspondence, the municipality accepted a plan and estimate, amounting to Rs. 6,400 on the understanding that the company would defray half the cost and maintain the over-bridge after it has been erected, the municipality contributing the other half of the amount expended. The plan * and estimate are accordingly submitted to you herewith

* No. 2167 D.

and it is requested that sanction may be communicated at an early date, as the Acting Chief Engineer has received a firm offer for the supply of the iron work which may be affected by fluctuations in market rates if sanction is delayed.

2. Information as to provision in the budget and date on which sanction will lapse is given on the estimate.
