MUNICIPAL COUNCIL,

To

The Secretary to Government

(Through the Revenue Divisional Officers

SIR,

I have the honour to submit
the explanation called for in paras 3, (1) and
4 (2) of Government Order No 1888 M. dated
30th August 1897, reviewing the Admini-
stration Report of the Kurnool Muni-
cipal Council for 1896-97.

2. As regards para 3 (1) I have the
honour to submit that the increase
in the number of assesses returned in
each class under the tax on arts is due
to the same assesses having been
by mistake shown twice over, once for
each half year. The Clerk responsible
for the mistake has been warned

to be more careful in future. A revised statement No IXA is herewith submitted.

3. With reference to para 4(2) I have the honour to submit that the delay in filling up the First Assistant's place in the Municipal High School was unavoidable. The joint efforts of the Chairman and the Inspector of Schools Central Circle, to secure a competent man for the place proved unsuccessful. The permanent First Assistant of the School died on the 31st of July 1896. Applicants were invited early in August of the same year and all the applications received were, on the 24th of August, sent to the Inspector of Schools with the Chairman's proposals. The Inspector in his letter No 366 Kr dated 1st September 1896, which was received by the Chairman on the 4th of September, suggested that the appointment should be offered successively to three individuals named in his letter. On the 13th of September the Chairman, after communicating with the individuals named

named therein, wrote to the Inspector to approve of the appointment of one G. Gnanamuthu, who could not join before December 1896. The Inspector's letter of the 15th September approving the appointment of G. Gnanamuthu was received on the 18th of that month and on the 18th, G. Gnanamuthu was appointed for the place and ordered to join on relief at Nandyal in December. In the meanwhile, that is in November, Gnanamuthu resigned the appointment and other applications were received. On the 23rd December 1896, the Chairman wrote to the Inspector of Schools to approve of the appointment of one Vempati Krishnabrahman, a trained Mathematics Telugu Graduate. In reply thereto, the Inspector in his letter No: 49 Kr dated 12th February 1897 suggested that the results of the L. T. Examination of 1897 should be awaited (A copy of the Inspector's letter

letter is herewith submitted). The results of the L. J. Examinations having been published, the Chairman in his letter No. 668 dated the 23rd February 1897 (Copy enclosed) requested the Inspector of Schools to select a suitable candidate for the place. The Inspector of Schools in his reply dated 31st March 1897 recommended the appointment of one Ramaswami Iyengar. The said Ramaswami Iyengar, with whom the Chairman placed himself in communication, having declined the offer, the Chairman in his letter dated the 24th April 1897 again requested the Inspector of Schools to recommend another candidate. The Inspector of Schools, after communicating with the Principal Training College, Rajahmundry, suggested the names of two individuals in his letter of the 3rd May 1897. The said two individuals, having raised some difficulties, as will be seen from the copy of

the Chairman's letter to the Inspector of Schools No 123 dated 30th June 1897 herewith submitted, the Inspector of Schools was requested to advise in the matter. The Inspector of Schools having in his letter No 240 Kr dated 10th July 1897 (Copy enclosed) suggested the appointment temporarily of one V. Venkatanarayana, an untrained candidate until the end of the year, that individual was on the 14th of July 1897 temporarily appointed for the place. He immediately joined his appointment and is doing work at present.

4. Under these circumstances it is submitted that the delay was unavoidable and that the Chairman has been taking the necessary steps to fill up the place in consultation with the Inspector of Schools, Central Circle.

I have the honour to be

Your most obedient servant

Sir,

I have the honour to state
that the 18th Assistant's place in the
Municipal High School, Kurnool,
has been vacant for several
months and that I have not been
able to secure any competent person
for the place. I wrote to the two
individuals referred to in your
letter of the 3rd May 1897. It will
be seen from the enclosed replies
received from them that K. Sudarsana
Rao wants 100 Rs pay to start
with, which is out of the question.
V. Kristnabrahman says he will

be able to join before January next.

I have therefore the honour to request you will be good enough to let me know at an early date whether I can appoint V. Krishna-brakman permitting him to join in January next, whether I can appoint V. Sanyasirazu the 2nd in the list received from the Principal Training College Rajahmundry or whether you would recommend any other suitable Candidate for the place. As there has been so much delay in filling up the vacancy I request you will kindly treat the matter as urgent and instruct me as to how I should act.

Dated 10th July 1897.

From E. Marsden Esq B. A.,
Inspector of Schools,
Central Circle.

To,
The Chairman,
Municipal Council,
Kurnool.

Sir,
With reference to your letter no: 123 dated the 30th ultimo, I have the honour to state that I regret very much that the First Assistant Master's place in the Kurnool High School has been vacant for a long time and that all our efforts to appoint a suitable Candidate for it have proved unsuccessful.

2. Various persons who were selected for the post have declined to take it up. I now think that the best way of filling up the place is

to appoint an untrained Candidate temporarily until the end of the year so that the School may not suffer any longer. I hope to be able to secure a trained L. T. early next year. Accordingly I have selected one Mr. V. Venkatarayana who took his degree in 1891 and has had more than two years' experience as a teacher. I saw him personally the other day and consider him a suitable candidate for the place except that he is not trained. I herewith forward his application and recommend that he be appointed First Assistant Master temporarily on Rs 80 per mensem, the minimum salary of the appointment. He will join the School immediately on receipt of orders from you.

3. The enclosures to your letter are herewith returned as desired.

I have the honor to be
