AB 23/10/97

His Excellency the Governor in Council resolves to direct that the paid Chairmanship of the Conjeeveram Municipality shall be discontinued from the 1st November 1897, and to restore to the municipal council the privilege of electing its own chairman. The following notification will be published in the Fort Saint George Gazette:—

Notification.

Under the provisions of section 12 of the Madras District Municipalities Act IV of 1884, as amended by Act III of 1897, His Excellency the Governor in Council is pleased to cancel so much of Notification No 108 published at page 38 Part I-A of the Fort Saint George Gazette dated 1st March 1892 as relates to the mode of appointment of the chairman of the municipal council of Conjeeveram and to declare that after the expiry of three months from the date of the publication of this notification the Chairman of this municipality shall be appointed by election.

2. The Government cannot approve of the appointment of a Secretary with the powers proposed to be vested in him on a salary of less than Rs 125 rising by annual increments of Rs 5 to Rs 150. The finances of the municipality are not now altogether in a satisfactory condition, but a ~~capable~~ secretary, if capable may be expected to improve the resources of the municipality and by efficient management effect savings more than sufficient to cover the cost of his employment.

3. The nomination of M.R.Ry. Venkatapathi Nayudu submitted by the municipal council cannot be approved as he is, in the opinion of Government, too old to be able to discharge the duties of a

Secretary efficiently.

Sir,

With reference to paras 1 & 4 of G.O. No: 1465 M. dated 21st June 1897 Calling for the opinion of the Council on the question of appointing a Secretary and of restoring to this Council the privilege of electing its own Chairman, I respectfully beg to bring to your notice that the Subject was placed before the Council in its special meeting held on the

19th Instant and a Copy of its proceedings is herein Submitted.

2. It will be observed from the Copy of the proceedings that the Council arrived at the Conclusion that the appointment of a Secretary is needed but as the funds at its disposal being at its lowest ebb, owing to the Municipal act as amended by act III of 1897 having reduced its income under the professional tax to a Considerable extent i-e from Rupees 10,000-.-.- the demand of last year under that head- to Rs 3000-.-.- the demand for this year under the amended act- it does not see its way to allow more than 100 Rs. a month as pay to the Secretary, and under these Circumstances the Council is Sanguine that the pay so fixed will meet with the approval of Government.

According to the Scale suggested in para. 2 of G.O. No. 1465 M.d/ 21st June 1897 the maxm Salary is Rs 150—

3. The Council has also subject to the approval of Government appointed me to the office of Secretaryship on the understanding that I am to enter on the duties of this appointment on the expiry of my term as paid Chairman

4. The Council has no objection whatever to offer against the restoration of the privilege to it of electing its Chairman and will thankfully accept the proffer te of franchise.

the

the Municipal Councils to submit their opinion on the question of appointing Secretaries and (2) requesting Conjeeveram Municipal Council to state if it has any objection for the restoration of the privilege of electing its own Chairman.

The Councillors are unanimous in their opinion that the appointment of Secretary is necessary but consider that they cannot in view of the present financial condition of the Municipality allow more than 100 Rs. a month as pay to the Secretary and they also unanimously request the present Chairman K. Venkatapathi Naidu to accept the post. As he has accepted it, the nomination may be reported to Government and on the same being approved, he shall enter upon the duties of this new created office at the end of his term as paid Chairman.

The Council has no grounds whatever to raise objections for the restoration to the Council of the privilege of electing its Chairman and thankfully accepts the same.

Sir,

With reference to official memorandum No 864 dated 11th August 1897, Calling upon me to report as to how the Amended Municipal act has operated to reduce the income in Arts and Professions from Rs 10,000 to Rs 3,000, I beg to submit a statement from which it will be observed that the demand under that head for the Current year is Rs 3,414 (3472-¼) against Rs 9,919-8-0 in the last year, thus showing a decrease of Rs 6505-8-0 (6447-8-¼) in the Current year. This year's demand not having undergone revision by the Council owing to the late preparation of the assessment books under the amended act

Act, it may further subject to revision.

I respectfully beg to bring to Your notice, that the money limit of income not having been prescribed in the old act for the classes under which all the Professions were charged, the assessment under the amended Act undergone material changes, as several of the assessees who were placed in higher classes had to be brought down to lower classes, with reference to their estimated income and all those whose income fell short of Rs 30 a month and who were subjected to the tax till last year had to be struck off the list under the present act.

There is a decrease of Rs 3889-8-0 under looms; Rs 1282-8-0 under retail trades; Rs ~~362-8-0~~ 310 under wholesale trades; Rs ~~263-8-0~~ 257-8 under Money lending; Rs 189 under Banking; Rs 149 under artisans; Rs 127 under pleaders; Rs 107-8-0 under Contractors; Rs 87 under Spirit shops; Rs 54 under oil presses; Rs 30 under Medical Practice; Rs 26 under Manufactures of every Kind; Rs 17 under Market farms; Rs 26 under printing presses; and Rs 2 under Musicians — in all Rs 6612-0-0. 655 Deducting therefrom the increase from other sources (i-e) Rs 106-8-0, there is a net decrease of Rs ~~6505-8-0~~ 6447-8.

The heavy decrease in looms is due to the fact of all weavers, owning one loom and getting an income of Rs 10 a Month, having been placed in the 8th class and charged 1 Rupee under the old act, those owning 2 or 3 looms, whose income is between Rs 20 and 30 placed in 6th class and charged Rs 3; those owning 4 or 5 looms and getting an income between Rs 40 and 50 placed in 5th class and charged at Rs 6 and those who owned 6 and more looms and getting an income between Rs 60 and 70 placed in 4th class and charged Rs 12-0-0. As under the present Act all these men were graded to the classes they will subject to according to their income and as those whose income fell short of Rs 30 a month were excluded, there has been such large decrease.

Likewise, there is also a large decrease (i-e) Rs 1,276-8-0 in retail trades. This is accounted for, as the former tax was not based upon a specified income, and in several of these cases, men who were placed in higher classes had to to be brought down to lower ones and assessed in proportion to their income.

Several of the petty dealers in betelnut, milk, flowers, snuff, sundry provisions and etc. whose income ranges from Rs 5 to 10 and who were taxed till last year, have been struck off the list; Hence the decrease.

The decrease under wholesale and medical practice is partly due to the gradation of the assessees in higher classes last year and partly to some of the assessees having abandoned their profession; that under "money lending" "oil presses", "artisans", to their gradation to higher classes last year and the subsequent reduction to the lower classes this year and to exclusion of some of them as not liable to the tax— and that under manufacturing of every kind to their gradation in the lower classes alone—

Bankers, market farmers, Pleader, Contractors, Spirit Shop Keepers had to be charged in certain specified sums under the old act, (i-e) the Bankers in Rs 50, Contractors and market farmers in not less than Rs 25, and pleaders and Spirit Shop-keepers in not less than Rs 12, and they are now placed in classes in which they should come under
according

according to their income, the decrease under the heads of Bankers, Contractors, Pleaders, and Spirit Shop-keepers had occasioned thereby.

As regards the delegation of powers to Secretary, I beg to state that the matter is under the consideration of the Council and when it is disposed of, a separate report will be submitted.

I beg to remain,
