I now

The Chairman
Municipal Council Palghat.

To

The Collector of Malabar

Sir,

I have the honor to submit herewith 2 petitions in original from the Managers of the Tondi-Kulani Devaswam, Palghat, requesting that they may be permitted to Construct certain buildings with the endowments, of M R R. N. A. Parameswara Iyer and M R R. Pitnanta Iyer and Municipal Councilors, thereon.

2. The land upon which they propose to Construct the buildings forms a portion of the Tondikulam street road, but it is said, that formerly a temple was situated on the very same site under the management of the Devaswam.

3. I beg to enquire whether, under the Circumstance, that the land was once owned by the Devaswam, the petitioners may be permitted to Construct the building without reference to Government. If

which now forms a part of the Shreekrishna, however, the land is considered to rest in the Municipal Council, no permission can be accorded by the Municipal Council without the sanction of Government, as "no immovable property vested in a Municipal Council ^{shall} be transferred by sale, mortgage, exchange or otherwise without the sanction of the Government Council" (vide G.O. no. $\frac{210 \text{ m}}{20-2-89} + \frac{1546 \text{ m}}{25-10-94}$).

4. I understand that formerly a temple existed on the site, and I do not consider that the construction of the temples will in any way cause obstruction to traffic. If under the circumstances stated, the sanction of Government is necessary, I beg respectfully to solicit that sanction of Government may be obtained for the construction of the temples as prayed for by the petitioners, in the Dandikulam Street.

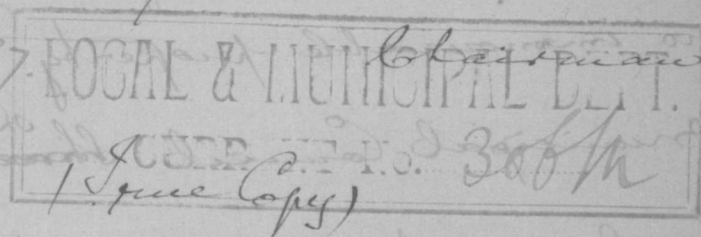

A Copy of the Municipal Council's

resolution dated 19th December 96 or 18, is herewith submitted.

I have etc.

Submitted to Government with enclosures.

2. I see no objection to allowing the temple to be constructed, provided that it does not exceed the measurements shown in the plan.
