From Bannatyne Macleod, Esq., M. A., B.A. at Law,
Acting Collector of
Trichinopoly,
To
The Chairman,
Municipal Council,
Trichinopoly.

Sir,
With reference to your letter No. 30
9-8-1897
addressed to Government regarding the ques-
tion of Contribution towards the cost of the
proposed extension of the Kodamurti Bridge,
I have the honour to inform you that, if the
work is undertaken and completed, the road on
the bund to the east of the Kodamurti river
will not be damaged by floods, being at pre-
sent liable to be affected during the time
of heavy floods. The Council is well aware
that this embankment protects the Town
and its suburbs, Tirutantoni, Mel Chintamani
and Kila Chintamani, and thereby saves

the possibility of danger to human life and property on such occasions. It is but reasonable therefore that the Municipality should pay a fair Contribution towards the object of saving life and property, which is one of its most important duties.

2. Under the above circumstances, I request that you will be good enough to move the Council for the reconsideration of the matter.

I have &c.

No 137. Read Letter Ref on car No 2755 of 97 dated 11th instant from the Collector of Trichinopoly, requesting the Council to reconsider its resolution regarding the Contribution towards the cost of the proposed extension of the Kodamurthy Bridges.

The Council has already contributed towards the cost of strengthening the Kodamurthy bank in which it is interested and although the proposed extension of the bridge would afford some further protection to the bank the Council regrets its inability to contribute towards its cost.
