LOCAL & MUNICIPAL DEPT.

From

M R Ry Kerrajogam,
Chairman, Municipal Council
Cocanada.

To

The Secretary to Government,
Local and Municipal Department
Madras.

Sir,

Adverting to your memorandum No 844 dated the 9th August 1897, I have the honour to submit the following explanation.

2. As regards the entertainment of two toties for a temporary latrine, I beg to state that there was no latrine for females residing in Koster Peta. Upon a collective petition presented to the Council it was considered necessary to construct a temporary one in that peta as the public, especially females were put to great inconvenience for want of a latrine. They used to go before to the vacant ground in the neighbourhood but were subsequently prevented from going so wh a view of making provision for them in the budget for the next year, Sanction

was applied for, for their entertainment temporarily in the current year.

3. As regards 3 peons and 6 toties for private latrines, I beg to state that there were only 2 peons to look after them in the 6 wards. The duties of these peons were not only confined to supervise the cleaning of the latrines, but also to collect the fees due for the services. To make the system more popular and to ensure speedy collection of the fees which were in arrears, the council sanctioned the entertainment of three more peons and 6 toties with reference to the remarks of Government contained in para 4 (4) of G.O No 713 M., dated 26th March 1897. As this Establishment was entertained after the receipt of this G.O, it was not provided for in the current year's budget. The number of private latrines under municipal control on 1st April 1897 was 871, and there are 901, now.

4. Lastly as regards 2 additional bill Collectors. I beg to state that there were only 4 bill collectors for the 6 wards in the town. The Council had to write off large amounts at the end of each year, as they were allowed to fall into arrears for want of sufficient hands to look after the collection business - Last year two bill collectors were entertained temporarily to collect the arrears. To ensure speedy and prompt collections, the appointment of these two additional bill collectors is a necessity, and I request that Government will be pleased to sanction the same. Provision will be made for them in the next year's budget as some more petahs will be brought under taxation.

I have the honour to be,
Sir,
Your most obedient Servant
K Venaji
Chairman
