the collector of Madura

Yr,

I have the honor to report that the tax on arts is now levied on incomes with reference to Schedule A of Act IV of 1884 as amended by Act III of 1897, whatever trade, art & a person may pursue. In the preceding years the tax was levied on profession irrespective of the income derived therefrom. The demand for the current official year has therefore fallen by about Rs 500—

70

To make up the decrease to some extent, it is proposed to raise the tax on carts and vehicles without springs from Rs 1 to Rs 1-8 for a half year. The increase of the rate will not be a hardship on the people. The sum of Rs 300 is expected for a year by the proposed increase of the rate. I request therefore you will be good enough to obtain the sanction of Government under section 48 of Act IV of 1884 for the proposed increase from 1st April next.

2. Copy of the resolution of the Council on the subject is enclosed for information.

I have the honor to be
Sir
your most obedient servant
