Enclosure

SIR,

With reference to official
Memorandum No. 849 dated 9th August 1897,
I have the honor to report as follows:—

(1) With reference to clause (2) I beg to
state that the exact amount of grants
promised by the Director of Public Instruction
was not known at the time the administrative
report was submitted, and hence it was
not possible to show it in the note to
statement II.

(2) The percentage of 63.6 referred to in
clause (4) and given in para 36 of the
report appears to be correct. It is not
clear how the percentage of 66.9 has
been arrived at.

(3) The sum of Rs. 364-10-6 referred
to in clause (5) and given in statement I
is correct. The District Medical and Sanitary
Office

Officer explains the discrepancy by stating
that the amount given in his report
includes the receipts &c, relating to
95-96 and 97-98.

I have the honor to be
