The Government cannot approve of the appointment of a Secretary with the powers to be delegated to him, on a salary less than Rs 100 rising to Rs 150, by annual increments of Rs 10. The finances of the municipality are at present not altogether satisfactory, but a capable secretary may be expected to improve the revenues and by greater economy, effect savings which will more than cover the cost of his employment.

I think we should ask first what duties the Ml. proposes to delegate to the Secy — If they are at all important Rs 100 is low pay — Perhaps the Ml. wouldn't think 100 – 10 – 150 too much

Sir,

I have the honour to state that, as directed in Government Order No 1465 M. Local and Municipal date 21st June 1897 the question of the employment of a Secretary in this Municipality was considered at the Meeting held on the 10th instant A copy of the Resolution of the Counc is submitted herewith.

2. I may add that the Council was unanimously of opinion th in the interests of the Municipal it was necessary to appoint Secretary. The maximum Salary

the

the Secretary suggested for this Municipality in the Government Order under reference is Rs 150, but having regard to the limited resources of the Municipality the Council thinks that the salary of the Secretary should be fixed at Rs 100 a month for the present.

3. I have the honour to submit, however, that there seems to be some difficulty in providing the necessary funds to meet this expenditure. I am of opinion and the Council agrees with me, that the Chairman's Carriage allowance of Rs 25 may be utilized for this purpose. This sum and the savings to be effected by making the necessary reductions in the present Office Establishment ill cover nearly three-fourths, or t any rate more than half, the mount required for the employment a Secretary.
