This Order. n^o 2352 of 28/10/97

From the draft notification and plan now submitted by the Collector, it appears that the proposed boundaries have not yet been properly defined, as shown below:—

- (1) As the eastern boundary begins from the Pedda Madam bridge, the portion of Sivanauda bough which is said to lie on the eastern portion of Pedda Madam Gedda, cannot form part of the Eastern boundary.
- (2) Gadi Venkata Ramaswami Pantulu's Inam land, the Maharajah's Jiragati land called the "model farm" and the Samasthanam parade ground, through which the boundary line now passes, should either be wholly excluded or included within Municipal limits.

(3) The Komati chervu bed
