To
The Collector of Tanjore.

Sir,

I have the honour to state that with reference to Section 39 A of District Municipalities Amended Act III of 1897, the question of appointing a Secretary was brought up in the meeting of the Council of the 30° June 1897 when it was resolved that a Secretary on a Salary rising from Rs 150 to 200 by

According to the scale suggested in para. of G.O. No 1465 Mun 28th June 1897, the max. in salary should be Rs 250 — But Rs 150 is a fair start, and the salary may be increased to Rs 250 in course of time should the necessity for it arise.

by an annual increment of Rs 10 plus a horse allowance of Rs 25 per mensem be appointed to this Municipality.

2. On the receipt of Government Order No. 1465, dated 21st June 1897, the question was again placed before the Council at its sitting dated 7th July 1897 and it was resolved that the salary may be increased to Rs 250 when necessity arises.

2. So much of the Resolution as covers the powers specified in Section 42 of the Act is superfluous, as such powers can be delegated without the sanction of the Council.

3. In this connection I beg to point out that, in the copy of the Act received from the Government Press in book form, there is in Section 39-A (3)(d) a comma after "Municipal Revenues," whereas in the copy received with the Fort St. George Gazette (there is no comma RV) (Vide Section 34. Act III of 1897). The latter is evidently a clerical mistake, and it apparently misled the Council as, with the comma omitted, the clause might be taken to mean that the sanction of the Council is necessary for the delegation of any powers, whereas the insertion of the comma in the other makes plain that, in respect of one set of powers, the sanction of the Council is not necessary for delegation.

4. A reference had to be made to the Chairman and hence the delay in forwarding this copy of the Resolution.
