PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Local & Municipal Department, No. 1,000 of 24th September 1897, transferring the following letter from the Surgeon General No. 257 of 11th August 1897:—

I have the honour to transmit the accompanying letter No. 257, dated 17th July 1897 from the Chairman, Municipal Council, Nagapatam, requesting orders as to whether the Hospital Assistant attached to the Branch Dispensary, Nagore, should be considered to be in independent charge and granted the usual charge allowance.

The Chairman is of opinion that no charge allowance is admissible on the following grounds:—

(a) That the Nagore Dispensary is in the same Municipal town of Nagapatam and is simply a branch of the main hospital and dispensary.

(b) That it is under the immediate supervision of

of the Civil Surgeon.

(c) That all cases of Major operation are sent to Nagapatam.

(d) That the predecessor of the present Hospital Assistant was not granted any charge allowance.

2. As regards (a) it is true that Nagore is within the jurisdiction of the Nagapatam Municipality, but it is isolated from the main portion of the town and is situated about 4 miles from Nagapatam.

3. As regards (b) it is not correct to say that the dispensary is under the immediate supervision of the Civil Surgeon, as that officer reports that he only visits it once a fortnight.

4. With reference to (c) it is the rule everywhere to send Major operation cases to the Head Quarter Hospital as the Hospital Assistant in charge of a branch dispensary has neither the materials nor the assistance or accommodation required for undertaking such operations.

5. As regards (d) the Civil Surgeon states that the present Hospital Assistant's predecessor was a private practitioner without the diploma of Hospital Assistant and had been in charge of the dispensary for nearly 17 years drawing a fixed salary of Rs. 30.

6.

6. The present Hospital Assistant who is a Government subordinate was posted at the request of the Municipality on account of the important nature of the charge.

7. Under the above circumstances and considering that the dispensary is situated about four miles from Nagapatam and the Hospital Assistant is practically in independent charge, I am of opinion that the Hospital Assistant is entitled to the usual charge allowance of Rs. 10 per mensem.

Endorsement of the ^{Local & Municipal} ~~General~~ Department, N^o 1029, d/ 6th October 1897, transferring the following letter from the Surgeon General N^o 375, d/ 1st October 1897 in continuation of endorsement N^o 1000, d/ 24th September 1897:-

I have the honor to request that you will be good enough to favour me with the orders of Government on my letter N^o 287 dated the 11th August 1897 regarding the grant of charge allowance to the Hospital Assistant attached to the Nagore Dispensary.

Order: N^o 861, d/ 15th October 1897.

The branch dispensary at Nagore, will, under the circumstances set forth in the

the

The Surgeon General's letter be included amongst
 those to which a charge allowance of Rs. 10/-
per mensem is attached and the necessary
 addition will be made to the appendix to
 G.O. No 158, Financial, dt 11 March 1896.
