PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Endorsements of the Local and Municipal Department, N^o 966, of 15th September 1897 transferring the following letter from the Chairman Municipal Council, Cocanada, N^o 645, of 20th August 1897:—

With reference to G.O. N^o 5432, dated 18th March 1897, in the subject of Government contribution to hospitals and dispensaries, I have the honour to submit a copy of the Council's resolution and the Civil Surgeon's letter and request that the subject may receive the favourable consideration of Government.

Enclosures.

Extracts from the Proceedings of the Municipal Council, Cocanada, passed at its Meeting held on Saturday, the 19th June 1897.

Read Letter N^o 162, dated 13th May 1897, from the Civil Surgeon Cocanada.

forwarding a statement of the numbers of
 men treated here together with G.O. No.
 132, dated 18 March 1897.

Resolved that the Government
 addressed to continue the usual con-
 tribution of Rs. 600 from Provincial Funds
 on the grounds referred to in the Civil
 Surgeons letter.

Letter from the Civil Surgeon, Cocanada,
 dated 13 May 1897, to the Chairman, Municipal Council, Cocanada:—

With reference to your letter No. 111
 of 28 April 1897, I have the honour to append
 a statement of the number of seamen treated
 here. Seamen are however a source of profit
 rather than loss to the Hospital, so no claim
 could be successfully made on their account
 for the contribution from Government or Port
 Funds. There is however a Police ward in
 Hospital (of which figures are given) towards
 which Government pays nothing extra; also
 during 1894-95, 1408 Government servants were
 treated as outpatients, figures for subsequent
 years cannot be obtained; but there are
 always a large number of Government
 servants.

Seamen	
1894-95	16
1895-96	12

servants attending as in or out patients. Sall
 peons, policemen, clerks, schoolmasters, Forest
 employees, Railway and Telegraph employees.
 The total is very large and in my opinion
 Government should contribute more & not
 less than Rs. 600 as its due share.

Proceedings of the Local and Mun-
 cipal Department, No. 1783. M. M. No. 4/15 September
 1897:—

Read the following paper
 From the Surgeon General with the
 Government of Madras, No. 73/22 of 22 August
 1897:—

In forwarding the accompanying appli-
 cation from the Chairman, Municipal Council
 Bimlipatam, I have the honour to state that
 there are no junior civil apothecaries on
 Rs. 75 i.e. (pay Rs. 50 with charge allowance of
 Rs. 25) available to meet the request of the
 Municipality.

2. Bimlipatam is an important municipal
 town and a port and as such an experienced
 civil apothecary is very necessary there.

3. In this connection, I would invite
 the attention of Government to my letter No.
 26, of the 15 January 1895 addressed to Govern-
 ment in the Public Department in which
 the difficulties of getting men on this low
 rate

ate of pay, was pointed out.

(Enclosures)

From the Chairman, Municipal Council,
Bimlipatam, N^o 160, d/4th August 1897:—

I have the honour to inform you that
the Civil Apothecary who is now in charge of
this municipal Hospital is drawing Rs. 125
per mensem including $\frac{1}{4}$ contribution from
Provincial funds. But, of late, the Accountant
General under G.O. N^o 179, Financial, d/28th February
1897 disallowed the payment of $\frac{1}{4}$ of his pay
for the months of March and April 1897
saying that $\frac{1}{8}$ contribution is admissible ac-
cording to the said G.O.

2. It is with great difficulty this
Poor Municipality is paying Rs. 125 per mensem
to the apothecary in charge of the Hospital
including the $\frac{1}{4}$ contribution from Government.
Subsequently, the Government has reduced
their aid from $\frac{1}{4}$ to $\frac{1}{8}$, the remaining $\frac{1}{8}$
must naturally fall upon the Municipality.

3. Considering the present financial
condition of this municipality it is rather
too difficult to cope with this extra sum.
Moreover this municipality has been spend-
ing annually about Rs. 3,500 for the upkeep
of this Hospital when it is really not in
such a condition. When compared with
the cost of medicines &c. supplied to the
Hospital

Hospital during last year the expenditure
under that head during the current year
has considerably increased.

4. I therefore request you will be
good enough to exert your influence and obtain
early sanction from Government for continuing
the usual contribution of $\frac{1}{4}$ of the Apothe-
cary's pay.

5. If the Government is not pleased
to continue it as before I request you will
be good enough to ask the Surgeon General
to send us an apothecary on Rs. 75.

6. The Council's resolution to this effect
is herewith annexed.

Extracts from the Proceedings of the
Municipal Council of Bimlipatam at its
meeting held on Tuesday the 27 July 1897.

VI (a) Read letter N^o 74, d/19th instant
from the Civil Apothecary in charge of
the Municipal Hospital, Bimlipatam,
forwarding the objection statement of the
Accountant General, Madras, and stating
that the Accountant General, Madras
disallowed the payment of fourth of his
pay for the months of March and April
1897 and that $\frac{1}{8}$ contribution is admissible
from Provincial fund under G.O. N^o 179,
Financial.

financial, of 20th February 1897 and requesting
to take the necessary action and to pay the
amount into Treasury.

(c) Read also letter No. 77, of 26th July 1897
from the Civil Apothecary stating that he
has received a further communication from
the Treasury Officer, Vizagapatam, endorsed
by the District Medical and Sanitary
officer, Vizagapatam directing him to remit
at once the amount objected into Treasury
and to recover the same from the Municipi-
pality.

Payment sanctioned. The Council
resolve to write to Government through
the Surgeon General to send us an apothecary
of lower grade whose pay is Rs. 75 including
charge allowances.

Order: No. 1983. M. M. B. S., of 15th September 1897.

The Municipal Council request
that the usual contribution be continued of
one-fourth of the apothecary's pay will be
considered in the Financial Department.

2. With reference to paragraph 5 of the
Chairman's letter, the attention of the Municipal
Council will be drawn to the remarks of the
Surgeon General in paras. 1 and 2 of his
letter read above.

Order:
