From,

R. F. Grimley Esquire
Chairman, Municipal Council
Dindigal

To,

The Secretary
to Government

Local and Municipal Department
Fort St George.

Sir,

Referring to G.O. No. 2144
his of the 1st current, I have the
honor to state that since the re-
vised scale of Establishment of
the High School was sanctioned
in G.O. No. 388, dated the 17th
March 1891, the marginally noted
teachers have been paid the
salaries mentioned opposite
their names against the sanc-
tioned minimum rate of pay
for

	Actual pay -	Minimum
B. P. Bhimiah Rao	Rs. 60	Rs. 60
1 st Assistant	40	60
Krishna Rao	30	40
2 nd Assistant	14	15
S. Anantha Sani Raja	14	15
5 th Assistant	14	15
Subramonia Sathya	14	15
Saashik Parth.	14	15

for the following reasons:—

(1) Rs 60 was provided for the 1st Assistant on the understanding that a trained and certificated graduate would be employed whereby the Council would be entitled to a third grant from Provincial Funds. The 1st Assistant at present employed is not a qualified man and as such no salary grant is claimable. Hence the Council has been paying him only Rs 40. He has been directed to undergo training.

(2) Regarding the 2nd Assistant, Rs 40 was provided for a competent graduate as per recommendations contained in para 6 of the Director's letter embodied in G.O. No 384 h. h. of the 29th February 1892 -

On

On an application being made to the Inspector of Schools for the required candidate he recommended a trained F.A. who has been paid only Rs 30 per mensem since the date of his appointment. (3) As to the 5th Assistant though the minimum pay is fixed at Rs 15 he has ever since the High School was taken under the Council's management, been paid Rs 4. Similarly Sanskrit Audit is paid at Rs 4 though a minimum of Rs 5 is provided in the Budget.

2- The reduced rate of salaries alluded to above was adopted as the institution was not self supporting and as the Council wished to have a High School in Dindigul.

3- Moreover salaries have been continuously paid at these rates from the year 1891-92 though provision for higher rates has been invariably made in all the budgets from that year onwards.

Explanation

Explanations in all the budget
letters and the Administration reports
for the short-fall on the credit
and debit sides of the Educa-
tional statements have always
been given as due to the payment
of "minimum rate of salaries" to
some of the teachers of the High
School. This was evidently a
mistake, the actual cause being
the "reduced rate of salaries."

4. The rate of salaries paid to
the teachers of the High School from
year by year has been given in
statement II-B of the several Annual
Statements and the items shown
in statement II-B of 1896-97 do not
differ from those furnished in
the similar statements of the past
years.
