From

Collector of

To

The Secretary to Government
Local and Municipal Department
Madras

Sir,

With reference to memorandum dated 29th October 1897 No 1111, I have the honor to state that no money compensation will be paid from Municipal Funds to the owners of the lands proposed to be taken up for the construction of a road as they receive from Government Poramboke lands in exchange therefor. The circumstances of the case under reference are as follow:—

2. In 1895 several houses in Vadagarai (within the limits of the Periyakulam Municipality) were

were destroyed by fire and the Municipal Council then proposed to acquire those sites for the purpose of opening a new road and to grant to the owners sites for building houses in the Fort and Manthai Poramboke available. (see copy of Municipal Council's resolution enclosed).

The Sub Collector Mr. Miller, who was addressed by the Council for the grant of house sites, inspected the locality and issued an order to the Tahsildar in anticipation of further proceedings to allot certain plots of land in the Fort and Manthai Poramboke, which was accordingly done. When application was made to me for the transfer of the portion so granted to "Kathum Poramboke" I postponed sanction pending formal acquisition of the sites required for the road. It will thus be seen that the owners of the lands the taken up have already been given lands in exchange.

I have the honor to be,
Sir,
Your most obedient servant,
Wm.

Copy of Municipal Council's resolution

301. Read report from Councillor K. D. K. Arumachalam Chettiar Arungal informing that about 61 houses were burnt yesterday in Kaliyammann Coil lane, Vadagarai, and suggesting that steps may be taken to open lanes.

Resolution:—

The houses in the block were so overcrowded and badly situated that the risk to life and property during the time of fire or any such accident is so great that the Council think it expedient to avail themselves of this opportunity to open lanes and to construct a road along the river side to facilitate the approach to the river in the south and the main road on the north, to escape danger and to allow Municipal scavenging carts to enter the lanes to remove all rubbish. The Council therefore resolve to request the Revenue

Resume authorities through the Tahsil Dar
to assign to the Municipality for building
and other Municipal purposes the foramsloke
land described below in Survey nos: 42
and 75 so that the Council may arrange
with the house owners by exchange of land
to remove some of the houses from the block
in question to the west of the village.

1. Portion situated to the north of the path
in Survey no: 42
2. The whole of Survey no: 75 except
that which may be required for Agallamman
temple

Resolved also that the abandoned burial
ground in Survey no: 49 Acre 1 Cent 80
be allowed to be used as cattle stand by
the villagers.

Resolved also that notice by leaf of town
to be given to the people affected by fire
that they should not rebuild their houses without
the written permission of the Council and the
subject matter of the resolution be Communi-
-cated to them.

In Council at Chaur.
