Municipal office
Calicut 12th October 1894.

To G. W. Dancer Esquire I.C.S.
Collector of Malabar.

Sir, I have the honour to bring to your notice that, on the Cantonment land made over by the Revenue Department to the Municipal Council for locating the Municipal office, a few houses are situated in the occupation of some private individuals. The Council having considered that they should obtain possession of the land, in the occupation of the private individuals, with a view that the house sites, along with the adjacent land, might be utilized for a garden around the tank situated west of the Municipal Hospital, and that the tank might be fenced and kept in thoroughly good condition, a reference was made to the Head Assistant Collector who replied that application should be made for the acquisition of the occupancy rights in the lands in question. The Council thereupon resolved to acquire the occupancy rights and an application was submitted to your office on the 13th February 1895; and in reply a copy of G.O. No. 285 Nis dated 25th February 1895 was communicated with your office letter No. 344 dated 1st March 1895 in which it was stated that the Government saw no necessity for formally acquiring the improvements and that the Municipal Council could purchase them from the owners. Since the receipt of the Government order under reference, steps were taken to purchase the occupancy rights, but it could not

not be arranged as some of the houses were involved in law suits, and in one case an attachment order from the Court of the District Munsif was sent to me with the request that the Compensation due to one of the ~~holders~~ should be held subject to the further order of the Court. I fear that if, under these circumstances the Municipal Council purchase the occupancy rights by private negotiation, they are most likely to be involved in law suits. But if the occupancy rights are acquired under the Land Acquisition Act, the Compensation will be remitted to the Head Assistant Collector, who will tender payment to owners and in cases of dispute will refer the matter for disposal to the Civil Court. I beg therefore to request that you will be pleased to solicit Government to reconsider its order N^o. 285 Mis and to pass orders for the formal acquisition of the improvements, at an early date. I beg to Subjoin the Council's Resolution N^o. 4 dated 15th September 1897-
