The Collector is requested to report fully the grounds on which he considers the Elpparava huts "very objectionable" and whether their condition is so bad and attended with risk of disease to the occupiers thereof or to the inhabitants of the neighbourhood, as to justify their removal under section 187 of Act IV of 1884, as amended by Act III of 1897.

COLLECTOR & MAGISTRATE,

MASULIPATAM,

KISTNA DISTRICT.

26th October 1897.

FROM,

J. H. Batten Esquire,
Acting Collector, Kistna District.

TO,

The Chief Secretary to Government,

Local and Municipal Department,

Fort St. George.

SIR,

In enclosing herewith a copy of letter No 389 dated 11th May 1897 from the Municipal Chairman, Bezavada, I have the honor to request that Government will, under Section 187 of the District Municipalities Act as amended by Act III of 1897, be pleased to sanction the removal of the Uppara huts referred to. In my recent visit to Bezavada, I in company with the Chairman inspected the huts and found them very objectionable. The Upparas breed pigs and are thus a source of public nuisance to the inhabitants of the neighbourhood. The notice prescribed by the section has been given and suitable compensation has been awarded to the owners of the huts. A copy of the Municipal Council

say "they sh^d. certainly be
"ordered away from this
"Dept.". The M^r has personally inspected
the site. Further references will
not cast any more light
on the matter: & it is
especially a matter for the
local municipality & collector
to see. Therefore sanction
their proposal.

Yes - I remember nothing
more that there were in Bezavada
several cases of the aggregation of
wretched huts in the middle of decent
houses & it is only right that the M.C.
should be ~~substantiated~~ in its efforts to get
things into better order.

For The
Collector of Kuttia
26/11/97

Copy of letter No 389 dated 11th May 1897
from the chairman, Mezowada municipality,
to the Secretary to Government, Local and Muni-
cipal Department, through the Collector and Divisional
Officer, Kistna.

I have the honor to bring to your notice
that a Darcherry containing about 12 huts
in the old town of Mezowada is inhabited by
Apparas who breed pigs and make the place
untidy and unclean.

2 The municipal Council has issued
notices under Section 187 to remove the huts and
offered compensation for the sheds and showed
them land in exchange free of cost. They refused
to go and say that the land given to them in
exchange is far from the town.

3 The Municipal Council passed a resolu-
tion to obtain Government sanction for their
removal, and a copy of the said resolution is
enclosed for information.

4 Under these circumstances, I beg to request
that you will be good enough to accord sanc-
tion for their removal.

Yours faithfully
For Collector.
