To
 The Secretary to Government
 Local & Municipal Department
 Madras

(Through the Divisional officer & Collector Kistna)

Sir,
 In submitting herewith a copy of a resolution passed by this Municipal Council at a meeting held on the 9th Inst. in accordance with the recommendation of the Assistant Accountant General & Inspector of Local Fund Accounts, conveyed in his letter No 248/414 dated 23rd September 1897. I have the honor to state that at the time of appointment every attempt was made to secure the services of a Bahmin for the water feudal establishment for a less salary than what prevailed in the previous years (ie Rs 15 per mensem during 1894-95 & 1895-96); but all attempts ended in a failure, as no one would take up work for a less remuneration, the reason being that there was a great demand for such servants locally. So the Bahmin hitherto employed for

for the same purpose was made to do work for the
her museum after much persuasion.

As the allotment for hot weather charges was,
notwithstanding this arrangement, not exceeded, the
establishment being maintained for the period covered
up by the allotment, and as the arrangement was
made from a local difficulty to secure men at the
sanctioned rate, I request ^{that} you will now be pleased
to obtain the sanction of the Government for the
excess incurred in the past in deviation to the sanctioned
scale.

3 Extracts from the Audit notes & the Assistant
Accountant General's letter bearing on the matter
are herewith submitted for reference.

I have the honor to be
Sir

Your most obedient servant
