KUMBAKONAM 8th November 1897.

No. 711.

FROM

J. S. Sivasamy Aiyar Esq.

CHAIRMAN, MUNICIPAL COUNCIL
KUMBAKONAM.

TO

The Secretary to Government,

Local & Municipal Departments,

Madras.

SIR,

Adverting to memorandum No. 1118

dated 2nd November 1897, I have the honor to offer the following explanation in the discrepancies referred to in clauses (2) and (4) of the above memorandum.

1. Clause (2): The difference of Rs. 11. 6. 8 is due to Government, having transferred to deposits a third of Rs. 4. 4. 0, cost of a piece of land purchased for a toll-shed vide para 7 of Collection Endorsement on the report for 1895-96 and also memorandum No. 1045 dated 9th September 1896 on the same report. As the audit of accounts for 1895-96 was completed before the review of the report was received in this office, the auditor had adopted the figures

furnished

submitted by this office in the Administrative Report for 1895-96. The figures Rs 26718. 5. 8 and Rs 7654. 1. 4 represent the amounts as corrected after the review and these figures have been adopted by the Auditor who reported on the accounts of 1896-97.

2. Clause (4): The total amount of toll collections for the month of March 1897 including receipts in the succeeding months of April & May on account of 1896-97 was Rs 2935. 4. 0. The expenditure incurred during March, April, May and June on account of the previous financial year amounted to Rs 207. 1. 8. A third share after deducting the latter amount from the gross receipts for the month of March will come to Rs 875. 6. 2 and this is the correct amount due to the District Board and this is also the amount of the audited statement submitted by the Inspector of Local Fund accounts. The figure Rs 752. 14. 6 was arrived at as shown hereunder:-

The toll collections credited during March 1897 amounted to Rs 2899. 8. 0; Expenditure incurred for March and debited to the same head during March amounted to Rs 12. 6. 4

A third share after deducting the latter figure from the former will amount to Rs 752. 14. 6. All this difficulty arose on account of the tolls having been under the direct management of the Council. A perusal of the trial to Statement III will show that Rs 875. 6. 2 is the correct figure.

I have the honor to be
