Sir,

With reference to G.O. No. 2155 M. Mis.
Dated 2nd October 1897, I have the honour
to submit herewith a copy of the Council's
resolution No. II passed at their meeting
held on the 27th Instant, regarding the
site selected by the Council for the Construc-
-tion of an iron latrine at the Southern
extremity of the town and that proposed
by the District Medical and Sanitary
officer in lieu thereof.

I have the honour to be
Sir

Your most obedient servant

II. Read J. O. no. 2155 M. Div. dated 2nd
October 1897 regarding the site proposed
for the construction of latrine near
Ayikulam.

With due deference to the opinion
of the District Medical and Sanitary
officer, the Council submits that the
mere fact of the site originally selected
being situated in the Southern extremity
of the town, would not render the
latrine practically useless inasmuch
as the permanent latrines situated
at the other extremities of the town
have been practically useful. There is
also water convenience by the side
of the original site. On the other
hand

handed, the site proposed by the District Medical and Sanitary Officer forms part of the compound of the Iron Hall constructed in commemoration of the Golden Jubilee of Her Most Gracious Majesty the Queen Empress, and the building is now used as a Reading room. Moreover, there is a mosque on the eastern side of the proposed site. The Council thinks that the general public will be more inclined to resort to a latrine situated outside the town, than to one in the midst of a street. For the foregoing reasons, the Council respectfully requests that the construction of the new latrine on the original site may be approved and sanctioned.

Signed, M. Ramaswamiyer
Chairman
