LOCAL & MUNICIPAL DEPT.
CURRENT No. 3223 M.

10 SEP. 1897

To,

the Chief Secretary to Government,
Local and Municipal Department.
Madras.

The humble representation of the inhabitants
of the Cochin Municipality Cochin.

Respected Sir,

We the undersigned most humbly and
respectfully beg to bring the following circumstances
hoping that your honour will meet it with kind
consideration.

The Cochin Municipality had a Secretary
on a salary of Rs 75 which was especially sanctioned
by government in order to entertain Mr. Platal
the pensioned Tahasildar of Cochin and it was
then decided that when Mr. Platal vacated the
post a manager or a 4th Clerk may be entertained
on a salary of Rs 50.

Consequently on the resignation of Mr. Platal
the Secretary's pay was reduced to Rs 50 and the
balance Rs 25 has been sanctioned by the Govt
to appoint a new clerk on a salary of Rs 15 and
the balance distributed among the clerk
as an increase.

We now understand that a new manager
is now appointed on a salary of Rs 50 in accordance
to the advertisement in the Madras Mail
and other papers. Subsequently the present
manager puts in an application requesting
that his pay may be increased to Rs 60 with

with full understanding that his post deserves only Rs 50.

The income of the Municipality is nearly Rs 20,000 and according to the present Municipal Act it is only compulsory to appoint a Secretary whose the income amounts to Rs 30,000 and upwards. The Cochin Municipality has only a very limited source of income and thereby it suffers much wants in Sanitation, Medical, Public works and Education &c for want of funds. There are many other defects to be remedied owing to pecuniary wants.

The Council with the recommendation of the Dy. Collector who is the present Chairman resolved to consider the subject in the next Budget but we now understand that the Dy. Collector the present Chairman has recommended to Government the increase of pay referred to. The same Chairman as divisional officer has strongly objected to the increase provided in the last years Budget (97-98) to certain municipal servants by endorsing on the Budget report that the increase recommended cannot be sanctioned in consequence of certain deficiency of works for want of funds.

We leave to Government for reasonable decision to settle the pay of the manager of the Cochin Municipality comparing with the pay of the managers of Tellicherry, Cannanore, Calicut and Palghat viz Rs 40, 45, 50 where the income greatly exceeds.

We therefore humbly beg that your honour will be good enough to pass orders to utilize the

the money collected from the inhabitants of the Cochin Municipality for the use and benefit of the public and not to allow it to be given in the way of increase to the subordinates where it is not necessary for which act of kindness and benevolence the petitioners shall as in duty bound ever pray.

The Secretary to Government.

Si

With reference to your memo No 945 dated 6th September last, I have the honour to inform you that the Secretary whose appointment was sanctioned in G.O. No 1643. in miscellaneous dated 24th September 1896, having resigned his post in April last, I wrote to the Chairman of the Palghat Municipality whether the services of Supralithan the present nominee who had applied for the post when it fell vacant in March 1895 could be spared, and as he expressed his willingness to do so, I appointed Supralithan as Secretary of this office

on probation for two months. He having given satisfaction to me and the Council during the said period, he was confirmed in the post. He has not passed any Educational test, but has read up to the matriculation standard. I have no hesitation in saying that he is fully qualified for the post he now holds and does his work satisfactorily. No sanction of Government was obtained when he was first entertained as the appointment was only on probation and it was not certain at the time that he would be confirmed. He was drawing Rs 45 in the municipal office at Palghat when he was appointed to this post.

2. The appointment is not intended to be under Section 39A of the

Act, and it is not proposed to delegate any powers to him. Since 1885, the manager of this office has been called Secretary with the approval of Government (vide G.O. No. 625 financial dated 21st March 85.)

I have the honour to be,

Sir,

The humble petition of the undersigned
inhabitants of British Cochin

Showeth

That the present Secretary of the Cochin
Municipality is an unpassed man. There are
many graduates and under graduates available here
who would be willing to serve for less pay. The
present man's qualifications do not entitle him to
hold the post of Manager or Secretary. He had
been employed at Palghat Municipality as 2nd
clerk. he does not know how to manage an office.
His unpopularity Compelled him to leave his native
place Palghat and since coming to Cochin he is found
to be the same. He is a low cast of Choga Convert.
He is proud haughty and arrogant. Municipality
is a public office and when people come there on
business to pay tax and for registration of Births
and deaths. He never allows any one to enter the
office room but drives them away. He pretends to
be the Vicerey of the place. If he be confirmed
in his present post it will only lead to the
destruction of the Municipality of Cochin.
A respectable person should be chosen to fill

fill the post of Secretary. Under the Amended Act
Cochin Municipality is not at all entitled to
have a Secretary as its resources are crippled
and below Rs. 30,000

The Councillors are one and all
against the present Secretary. Only the Chairman
is favourably inclined towards him, as it is
but natural that he should be so because
this appointment is the chairman's own
