Ref No. 2380  
23-10-97

From

M. R. Ry.

Akbar Bahadur Jadar Nawaz Khan Sahib

Chairman,

MUNICIPAL COUNCIL,  
TRICHINOPOLY.

To

The Collector  
of Trichinopoly

Sir,

With reference to your letter  
of 1st on cur No 3590 dated the 5th inst,  
I have the honor to submit the following  
explanation for the delay in sanctioning  
the value of the lands required to be  
acquired for a Mohammedan burial  
ground.

Your letter Ref (b) on cur  
No 3590 dated the 13th November  
1896 was received in this office  
on the 16th idem. It was placed  
in the next meeting held on the  
11th December 96. The Council  
ordered it to lie over pending

Careful enquiry as to whether  
the burial ground which was  
to cost so much as Rs 2085 was  
absolutely necessary and whether  
the Mohammedan Community would  
freely and willingly use it, and  
desired me to ascertain from  
the leading members of the Mohammedan  
Community whether they would  
take any objection to using the  
place. This enquiry was forced  
necessary in view of the fact  
that a burial ground formerly  
provided for them at an expense  
of nearly Rs 2000 was left unused  
for years owing to some of the  
Muslims not agreeing to use  
it. A few of the leading members  
to whom I consulted in the matter  
could not of their own respon-  
sibility give me a definite  
answer on the point and

wanted time to take the sense  
of the other members of the com-  
munity. After some months  
and several reminders, they  
expressed to me their inability  
to give a definite answer on the  
point that some people objected  
to use the new site and insisted  
on continuing to use the old one  
situated within the town and  
declared as objectionable. I then  
had to deal with these people  
myself; and in doing so, I had to  
proceed gently and slowly as the  
question was a delicate one  
calculated to excite the feelings  
of the ignorant masses.

Another obstacle that  
stood in the way of the Council  
sanctioning the expenditure was  
the want of funds which had  
been curtailed much about the

close of the past official year  
in consequence of the large ex-  
penditure on the water works.

All the facts detailed above  
led to the long delay in sanc-  
tioning the amount & replying  
Your letter finally.

I have the honor to be,  
Sir,

Your most obedient
