Sir,
 In forwarding the accompanying
 Copy of a resolution passed at the meeting
 of the Council held on the 11th ultimo
 regarding the District Medical and
 Sanitary Officer's continued occupation
 of the Johnson Ward of the Jubilee
 Hospital in spite of the Chairman's
 and Council's repeated requests to vacate
 the same, I have only to mention that the
 said officer has been complaining since

[Faint, mostly illegible handwritten text, likely bleed-through from the reverse side of the page.]

have been aware that the accommodation
in the hospital building is cramped and
that a separate outpatients ward should
be built to supply the defect. Instead of
this very good ward was used and
consequently too as the outpatients ward
during Dr. Selkirk's regime.

I have the honor to inform,

Yours most obedient servant
