1 Read Co No 1831 in dated 21st August 1897.
Reviewing the administration report of the
Vellore Municipal Council for 1896-97.

Recorded with the following observations
on the remarks of Government.

(a) It is now too late to revise the House Tax
Registers during the current official
year. Steps will be taken next year
to carry out the orders of Government.

(b) The instructions of Government regarding
the Collection of Private Scavenging
fees in advance & the Collection of arrears
during the current year will be carried
out. In this connection the Council would
respectfully urge upon Government the
necessity of appointing a Bill-Collector who should
be solely entrusted with the Collection of this fee.
The system now in vogue of entrusting this
work to the Sanitary Inspectors of each
ward has been found to work unsatisfactorily.
It, not only, allows the accumulation of arrears
and operates prejudicing to the discharge
of

of the legitimate duties of these officers.
At a time when the Collection of these fees
was in the hands of a separate agency,
the amount of arrears was far less.
The council therefore request that
government will be pleased to sanction
the entertainment of a Bill-Collector
on a salary of Rs 8 per mensem.

(c) The Assistant Inspector of schools
will be requested to send a list of
untrained teachers employed in the
Mahomedan schools with a view to
their being replaced by trained men as
directed by government.

(d) The question of setting aside funds
for a Duffarin Scholarship will be
considered at the time of the
preparation of the next Budget.

(e) The articles of furniture referred to
by the District Medical & Sanitary
officer in clause (c) of para 5 of his
report were not budgeted for by that
officer during the year 1896-97.

(f) The Vaccinators will be served with a
notice to the effect that unless their
work improves within 3 months their
services will be dispensed with.
