Enclosure.

SIR,

I have the honor to state that I have no remarks to offer on the allotment made by the Coonoor Municipal Council for Vaccination and Conservancy in its budget for the ensuing year. The provision for the latter purpose is about 22 per cent of the estimated current receipts, and is an advance on that for the current year. I however regret to observe that no provision has been made towards either effecting minor and urgent improvements in water-supply, or with regard to any Complete Scheme. The protection of water-supply in this Municipality is a matter of urgency.

Sum of Rs. 3,000
has been provided by
Govt. in the budget on
account of the
watersupply scheme
for this town -

I have the honor to be,
Sir,

Your most obedient servant
