To
His Excellency
The Right Honorable the Governor
in Council,
Fort St. George.

The humble memorial of
Mr. Abdul Naley, residing
at No. 8, Appa Mudali Street
Mylapore - Madras.

Most Respectfully sheweth:-

That your Excellency's humble
memorialist begs leave to submit
his memorial for your Excellency's
favorable consideration, protesting
against the order (enclosed) of the
President Municipal Commission,
Madras, and trusts that his humble
prayer will be granted him.

2. That the said order of the
President Municipal Commission,
dealing with to interfere, is every-
just and unjustifiable, as will
be apparent from the following:-

3. That on the 15th February 1872
your Excellency's memorialist bought
a piece of ground (as per sale

your Excellency's perusal) just sufficient for four graves, inside the Compound of the Ingloporo Jumma Mosque Burial Ground. Considering it to be a most holy place than other Burial Grounds, according to certain Mohammedan religious rites, from the trustee of the said Mosque.

4. That since, your Memorialist's three relatives (son, brother and father) died and all of them were buried in the said piece of ground. The last burial i.e. of his father took place on the 5th October 1895, as will be seen from the Municipal Death Report (herewith attached). So there is place left for only one grave, which was reserved for Memorialist's old mother, according to the wishes of his late father.

5. That now your Memorialist learns that the Municipality are going to close the Burial Ground of the said Jumma Mosque, and if so, your Memorialist will be deprived from burying his old mother, when necessity arises.

loss by the purchase of the ground in question.

6. Therefore your Excellency's memorialist duly submitted his application requesting the President to be kind enough to grant him a special sanction to bury his old mother in the reserved piece of ground, after her death. But the President without assigning any reason, simply says, as per his said letter (enclosed) "that he does not see his way to comply with his (your Memorialist's) request."

7. That your Memorialist paid the money and with great difficulties bought the land for burying purposes only; now he should be prohibited from so doing. Moreover his aged mother has a very great desire to take her last rest by the side of her late husband. Your Memorialist submits, that his mother has a right to claim the above privilege, in the interests of justice.

8. Under these circumstances your Excellency's most humble memorialist craves your Excellency to take the above matter into

kind consideration, cannot the
 order of the President Municipal
 Commission and sanction the
burial of memorialist's aged
 mother in the place (purposely
 brought by your memorialist)
 as a special case, when oppor-
 tunity occurs; if that to his great
 misfortune cannot be granted,
 to direct the refund of the portion
 of the money paid by your memo-
 rialist for the purchase of the
 ground under reference, to enable
 him to buy a similar holy
 place for the interment of his
 mother.

For this very great kindness
 your Excellency's memorialist
 shall as in duty bound,

Ever Presy.
