This Order. n^o. 2700 mmi of 4. 12-97

The revised scale of license fees submitted by the Municipal Council is sanctioned, subject to the following remarks.

(1) The fee proposed in the case of item 1 should be levied once for all and not monthly, as the license does not require renewal every month. The Council should however charge a rent in addition to the license fee, when Municipal land is built upon.

(2) As suggested by the collector, "10 square yards" should be substituted for "50 square yards", and "4 square yards" for "20 square yards" in item 2.

Licenses for erecting temporary pandals should not ordinarily be granted for more than a fortnight.

processions to pass through may, as heretofore, be exempted from license fee, but fees should be levied in the case of licenses to build pandals of other description. The word "religious" will accordingly be inserted between the words "for" and "processions" in this item.

(3). In items 1, 2, 13, 19, 21, 34 and 38, the words "exempting", "dyeing house", "distillery", "smells", "fibre", and "buffalo", respectively, should be substituted for "exempting", "dyeing house", "distillery", "smell", "fiber", and "buffaloe".

(4) In item 24, the word "the" should be inserted between "place used for" and "storage of explosive" and the words "such as" should be struck out.

(5) The words "place used" should be inserted in the beginning of items 25, 30 to 34, 36 and 37; and the words "for the sale or storage of" should be substituted for "for storing" or "for storing of" in items 31 to 34.

(6). Items 27 to 29 should be altered into "place used for keeping 20 sheep or goats", "place used

used for keeping 10 pigs", and "place used for keeping 10 head of cattle", respectively.

The fee for temporary pandals is,
I still think, too low. No pandals are ever likely
to exceed 50 square yards and this figure has
probably been given by the Council for that reason.
For 50 square yards I would substitute 10 square yards,
charging 1anna extra per diem for each additional
tent of 4 square yards or under. I see also no
reason why the Municipality should not levy
fees for pandals put up for religious or other
processions.

was dated 28th August 1897 proposing certain alterations in the list of license fees submitted to Government for approval of the Chairman's draft list of per instructions contained in the said proceedings.

I tem h₂ (2) - The Council consider it ineffectual to levy a fee of more than two annas for every fifty square yards and one anna for every additional twenty square yards or fraction thereof. This was done by the Council as sanctioned also in G.O no 896 M of 3rd December/1885. The Government will therefore be requested to reduce the fee as proposed.

Since it is not intended by the Council to
allow sheep or goats to be slaughtered in any other
place than in the house provided by the

Sub Section III of Section 191. This list is approved in all other respects.

ENCLOSURES. 00

From

M. R. RY.

C. LAKSHMINARASIMHA ROW, PANTULU GARU,
CHAIRMAN, MUNICIPAL COUNCIL,
ONGOLE.

To

The Secretary to Government,
Local and Municipal Department,
Madras.

Sir, Through The Sub Collector, Bellare.

With reference to Proceedings of the Madras Government No 880 M. Div dated 28th August 1897 communicated to me through the Collector of Bellare with his footnote no 1361 dated 8th September 1897, I have the honor to submit a list of license fees remitted by the Municipal Council as directed by Government, together with resolution no 238 dated 2nd October 1897, except in the following cases:—

Item no 2:— The pundals contemplated in this case are generally constructed during marriages in the streets. As the word street defined in the Act carries with it a meaning very extensive.

who put up a *punda* (other than his private ground) will require a license. The average cost of each marriage in this municipality, considering the conditions of both rich and poor, may be Rs 50. The *pundas* built for marriages should be retained according to the religion & custom for 16 days. It will be very hard to lay the fees at the rate of half a rupee proposed by the Collector. The Council in its resolution therefore fixed the fees as shown in the statement.

2. The Municipality maintains a slaughterhouse. It is considered by the Council that no license should be granted for private slaughterhouses in this small municipality as the granting of such licenses will lead to commit mischief to the prejudice of municipal slaughterhouse and the municipal market. Hence no provision was made under Section 19(3).

3. As the Council considers no place for the storage of materials under 24(4) of Section 188 proposed in the former list the item has been altogether omitted in the list now submitted.

I have the honor to be
Yours most obedient servant
