MUNICIPAL COUNCIL, ELLORE.

To,

The Secretary to Government
Local and Municipal Department

Sir,

Thro. The Madras-
Collector

In submitting an extract from the Proceedings
of the Municipal Council for the town of
Ellore, dated 3rd November 1897. I have
the honor to request that you will be good
enough to move Government and obtain its
Sanction for exercising the powers of a police
officer by the Municipal Sanitary Inspector
and the Sanitary Sub Inspectors for the purposes
of the act for the following among other
grounds.

(1) That according to the present State
of things, the Sanitary Inspector and the

Sub Inspectors have to simply report to the Council the Commission of any offence against the Municipal Act and to wait for the orders of the Council.

(2) That generally it takes some time before any orders are passed by the Council in such cases with the result that in certain cases difficulty is felt in procuring proof. After lapse of time, especially in cases of letting out dirty water and keeping dirty latrines, and compounds. Delay in prosecuting such cases would some times result in failure of justice and in the non-improvement of the Sanitary Condition of the town.

(3) That to avoid delay and to bring about speedy disposal of such cases, I have been constantly looking for Police Constables during my inspections, and getting cases prosecuted through them and my difficulty in procuring their help always and in time has been such as to induce

me to move the Council to pass a resolution requesting the Government to authorize the Sanitary Staff with the powers of the Police to take cognizance of offences against the Municipal Act and the By-Laws.

(4) That the present system of prosecuting offences against the Municipal Act and the By-Laws is as it stands at present, beset with many difficulties and ^{with} much delay.

(5) In the circumstances stated and in the interest of efficient Municipal Administration I request that you will be so good as to move the Government and obtain necessary sanction as has been done, I believe, in the case of some Municipalities in the District and elsewhere.

I have the honor to be
Sri
Your most obedient servant
