OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 23rd November 1897.

No. 473

From

SURGEON-MAJOR-GENERAL G. SIBTHORPE, C.B., F.R.C.P.I.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

SIR,

With reference to para 4 (3) of G.O. No: 2030, dated the 18th September 1897, I have the honor to state that the District Medical & Sanitary Officer, Bellary, reports that the failure of the new Lying-in Hospital to attract patients was due to its great distance from the town and consequent inaccessibility. The popularity and success of such institutions depend largely on their situation as patients feel a certain amount of security and confidence in being in the close neighbourhood of their own houses and friends.

2. As regards the site for the construction of a new hospital building, the District Medical and Sanitary Officer reports that no new site has been suggested for a Lying-in Hospital alone; that the proposition as it stands at present is to erect a complete set of hospital buildings including a Lying-in ward.

the

the site proposed for this being a plot of ground behind the telegraph office which is ~~too~~ confined and small for the requirements; that he inspected another site last week with the Chairman - Municipal Council which he considers is the best available; that it is the premises at present occupied by the Forest Department and adjoining ground situated opposite the Railway Station; that it is fairly open, spacious and convenient of access being at one end of the main street, Brucepetham and the nearest site to the Cornhill Bazaar that could possibly be got.

3. Whatever site may be selected for the new hospital will have in the ordinary course to be approved by the Sanitary Board.

I have the honor to be,

Yours most obedient servant,

C. J. Brooke
Surgeon-General.

with the Govt. of Madras.
