FROM

TO

THE SECRETARY TO GOVERNMENT,

Local and Municipal
DEPARTMENT,
Madras.

SIR,

with reference to G.O. No 736 Ln, mis,
dated 29th March 1897, ordering the
publication of a declaration for the
acquisition of land required for the
Jubilee Market at Salem, I have
the honour to state that proceedings
under the Act have been com-
-pleted and the land is being
handed over to the Municipal-
Council.

The Sanitary Board was addressed
in December last for a plan
and Estimate for a market
with Clock-Tower. It intimated
in its Proceedings No 3248 dated 12th
December 1896, that it had resolved
to await

to await the type designs for markets
then under Consideration and the type
design has at last been issued by the
Sanitary Board in its Proceedings No
514.3 dated 13th July 1897 received
on the 29th ultimo.

2- The Chairman Municipal -
Council requests that either the
Executive Engineer, Public works
Department or the District Board
Engineer may be instructed to
prepare the necessary plan and
Estimate. The latter being unable
to do the work, I wrote to the -
Executive Engineer if he can under-
take the work and he states in -
his letter No 932 dated 22nd -
in
instant that under G.O. No 2806.
W, dated 7th October 1892 he is
precluded from preparing esti-
-mates for other departments for
original

original works costing over Rs 500
without the previous sanction of
Government. I request, ^{therefore} that -
Government may be pleased to
instruct the Public works Depart-
-ment to prepare the plan and
Estimate at an early date.
It will be a great pity if what
was begun to celebrate the 50
years' jubilee of the Queen
Empress be not finished at
least soon after the 60th year
of her reign.

I have the honour to be,
Sir,

Your most obedient Servant.
