Palamcottah
The Secretary to Government
Local & Municipal Department
Madras
through the collector of Cunnah.

Sir I have the honor to state that the Durkass petition presented to the collector by one Nanthimathi Pillai of Palamcottah for a narrow strip of land adjoining his Southern Compound wall was referred to the Municipal Council for opinion and remarks and that on inspection of the place the Council had passed a resolution to the effect that the land applied for may be granted to the applicant to the extent of three yards in breadth at the rate of one anna per square yard. The piece of land recommended to be granted is

Property of the Municipality
as it adjoins a branch road and
measures 52 yards by 3 yards and
the Council is of opinion that the
land is not required for any public
purpose and that no inconvenience
would be caused to the public
by its grant to the applicant.

// It does
not necessarily
vest, if it is
in the hands
of a private
person, if it
adjoins a street.

A sufficient margin of land
has been reserved for the passage
of rain water as shown in the
accompanying sketch. I
would further add that the Deputy
Collector in charge of the Division
and other Revenue Officers have
also supported the views of the
Council and recommended the
grant of the land to the applicant.

Under these circumstances,
I have the honor to request that
Government will be pleased to
accord sanction for the grant
of the land marked A in the sketch
as desired by the Council in the
resolutions dated 29th March and 3rd
July 1897 (Copies enclosed).

I have the honor to be,
Yours most obed^t & serv^t
