READ—the following paper:—

Telegram from the Government of India, Home Department, dated 25th February 1897.

No. 723, Sanitary. Please refer regulation No. 12 under Epidemic Diseases Act regarding City of Madras. Is meaning of second and third portion of regulation that if person gives address, medical officer has no authority to require him to proceed to place of detention to be observed for ten days, or does it mean that medical officer has authority to put any one who has no permanent place of residence in Madras under observation in place of detention?

ORDER—No. 329 M., dated 27th February 1897.

The following telegram will be despatched to the Government of India:—

"Your telegram, 723, Sanitary. Whether address (is) given or not or whether with fixed residence or not, any person if infected or suspected may be detained under clause one of No. 12 (of) Madras City Plague regulations. Clause three also authorizes detention (for) ten days (of) travellers from infected places unable to satisfy medical officer that proceeding to fixed residence, that is, who are wanderers. Clause two designed to enable municipality to trace and so keep under observation all travellers from infected places."
