to be intentional, & in the said

Office of the District Medical & Sanitary Officer,

To the Chairman, Municipal Council,
Trichinopoly.
Reference - Your letter of 27th October 1896.
Sir,
In reply to the above I have the honor to inform you that, in my opinion, standing order No. 82 does not apply to the conditions of the case under notice. Inasmuch as the management of a cholera epidemic in a Municipality necessitates the daily and repeated inspection of infected houses and the due supervision of disinfecting processes in all places throughout a large town, and is not merely restricted to an occasional

occasional visit to cholera patients

In the G.O. (Cholera rules) by Senior Medical Officer a Commissioned Officer is predominantly referred to and it is customary for these officers to claim Carriage allowance. For the same reason no reference to a bear is made since the whole staff is more or less under his order.

I have no hesitation therefore in recommending the employment by the Municipality of a Commissioned Officer to enable the Senior Hospital Assistant to properly conduct his important duty. Without the means of rapid transport his supervision would be practically useless.

I have the honor to be,

Your most obedient servant

From

Mr. P. N. Sankaralingam Esq.,
Chairman,
Municipal Council,
Ereanganam.

To

The Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

The 1st Class Hospital Assistant who is in charge of the preventive staff on cholera duty applied to me on 21st October 1896 to recommend to the Municipal Council, Ereanganam, to give him a fixed Carriage allowance for each month or to place a hackney carriage at his disposal and also give him a bear.

2. His application was recommended by the District Medical and Sanitary Officer, Trichinopoly, who suggested as well that under G.O. no 924 M, dated 25.7.89, the Municipality should engage a jukka for

for him and pay its actual expenses.

3. Entertaining a doubt whether the said G.O. was not in conflict with the Surgeon General's Standing Order, ch. 82, 1895, issued in pursuance of letter ch. 27308, 8-6-95 of the Government of India to the Accountant General and his letter ch. 1557, 18-6-95 to the Surgeon General, and seeing that the grant of the same is not provided for in G.O. ch. 1536 M, dated 7th September 1896, embodying rules to combat cholera epidemic, while there is provision in the same for the Carriage allowance and a boon to Division Inspectors, I addressed the District Medical and Sanitary Officer on the subject. He replied that the Standing Order is inapplicable to the circumstances of the case.

His letter and other connected papers were placed at the meeting of the Council on the 7th Instant and they resolved as

as follows:—

"The Council agrees with the District Medical and Sanitary Officer, that, under the circumstances, the Senior Medical Officer, who is in charge of the Preventive Staff should be allowed his actual Carriage hire, so as to supervise the Staff efficiently, but, as the Council is in doubt whether the Standing Order ch. 82 of 1895 of the Surgeon General, applies to the present case, the Chairman will obtain the orders of Government on the subject."

5. I therefore request the Government to favor me with an early reply, as to whether this allowance can be granted as suggested by the District Medical and Sanitary Officer.

6. Copies of Correspondence, as per list, are herewith submitted for information.
