Submitted
Hrs. the 20th August 1896, reviewing the Administration
Report of the Bellary Municipal Council for
1895-96, I have the honor to submit the
following information.
5-1-97

2. Para 3(2) will be attended to and
all efforts will be made to recover the
dues as early as possible. Para 3(4)-
The Council was doing its best to get better
sales for Rubbish, but the present bad
Season is against them, still small
quantities are being sold. There is
only one market and that in Cowl
Bazaar. People do not resort to it
and the Council is now powerless.
Still steps are being taken to keep

the Streets ^{of Bazaars} clear by prosecutions where necessary.

3. Para 3(5). Steps are being taken to bring in more private latrines under Municipal Agency and when the number sufficiently increases, arrangements will be made for cleaning the latrines more than once a day. A very rigid inspection is kept over the latrines which are cleaned by private scavengers employed by the owners of the latrines and the owners are being prosecuted for keeping their latrines in an insanitary state. Every effort is being made to collect the fees in advance consistent with its not becoming unpopular. Cleaning latrines more than once a day is no doubt good, but this will render it necessary to increase the rate of fees which the Council is not prepared to do until a still large percentage of the private latrines in the Town comes under the Municipal Agency.

4. Para 4(1). A large number of roads have been repaired and gravel has been collected for repairing more roads and the total expenditure on communications including the Contribution paid to the Military Works Department is maintained.

Extract from the Proceedings of the
B. M. C. at a meeting

of the roads in the Cantonment, amount to Rs 8978. 2. 7 upto 31st December, 1896 against Rs 6700/- sanctioned in the Budget for the current year. This sum is inclusive of Rs 1697/- which had lapsed and which amount was ordered to be utilized in the current year for the improvement of the roads.

5. Para 4(2). Results-grants were paid at the maximum rate allowed by the Grant. in. aid Code, to the managers of Schools who employed trained or passed teachers and three-fourths of the maximum rate to those who employed unpassed teachers and all the certifying memoranda issued by the Educational Officers, including those for over-earned grants, were paid before the close of the year. The Assistant Inspector of Schools of the Ceded District Division was requested on 7th December to furnish information why for results grants was not. He has not yet sent his returns and reminders were sent. For

furnished to Government upon receipt of that Officer's reply.

6. Para-4(3) The repairs required to the Sabapathy-Moodelias Hospital have been mostly completed, the amount spent up to 31st December/96 being Rs 1630. The Lying-in-Hospital was opened on 23rd September/96.

7. Para-4(4). Steps are being taken to ensure the accuracy of the registration of births and deaths and persons failing to report are being ~~reported~~ prosecuted.

8. A copy of the resolution of the Council passed at its meeting held on the 15th December 1896 is herewith submitted.

I have the honor to be

Your most obedient servant.

Forwards. The explanations are vague
and do not indicate exactly what action has
been taken to rectify the defects pointed out
by Government. The large amount of revenue
which is now being annually written off
as irrecoverable could easily be collected by a
Chairman who can devote sufficient time
to Municipal work and would probably be
sufficient to cover his pay if the office
were made a salaried one.
