SANITARY ENGINEER TO GOVERNMENT.

 T_0

The Secretary to Government,

Local & Municipal Department.

SIR,

With reference to the concluding portion of para 3 of G.O., No. 2140 M. Mis., dated 19th. December 1896, I have the honor to state that the sanction of Government was sought and obtained in G.O., No. 562 M. Mis., dated 23rd. February 1897, inter alia, to the following:-

2 Draftsmen, 2 Clerks & 6 Lascars. This staff was in-
creased by one draftsman, one accountant, one clerk and six
lascars (G.O., No. 1103 M. Mis., dated 28th. June 1892). In Novem-
ber 1892 a revised proposition statement was submitted to
Government, increasing the number of Assistant Engineers by
one and omitting the whole of the ministerial staff al-
ready referred to. In my letter No. 2526 dated 18th. November
1892 forwarding the above noted revised proposition state-
ment it was stated that the staff "is now omitted as -
directed in official memorandum No. 163 dated 3rd. November
1892, Financial Department". This memorandum requested me to
revise my budget estimate for 1893-94 with reference to the
endorsement in the Local & Municipal Department, which re-
quired the provision made in the budget estimate for
1893-94 for the ministerial staff referred ^{to} be struck out
on the ground that under para 1 of G.O., No. 1838 M, dated

So. 58 hrs
17-1-93

Lugo 1380710
191292
Hag C

26th. October 1891 the salaries of these men were to be paid out of the funds placed at my disposal to carry out the execution of the works.

2. Since that date it was understood that any clerks lascars &c put on from time to time were to be treated similarly to other persons on the works such as overseers, maistries, as they are paid from the amount allotted under the general head of contingencies in the estimate, hence no sanction was sought and men were put on and dismissed from time to time as the work required their services. The staff required on the works is a fluctuating one from month to month.

5. If it had been understood that the sanction of Government was necessary, the omission of the staff would not have been proposed in the proposition statement dated November 1892 and sent with my No. 2526 dated 18th. November 1892. On the other hand proposition statements would have been sent for alterations in staff from time to time. This interpretation was not pointed out as being incorrect.

I have the honor to be,
Sir,

Your most obedient servant,

Chunji Munj

Assistant Sanitary Engineer to Govt.
for Sanitary Engineer to Govt.
