Chief Office of Inspector General of Police
 Madras 1. ii 1897.

My dear Forbes.

With reference to the order about
 erecting for Malabar pilgrims from
 Nasirick - I understand from you
 that another case of plague had
 occurred at the Pilgrim camp &
 the pilgrims coming to delays still
 longer - It is important just
 now not to weaken the
 Malabar police more than is
 possible - & unless the pilgrims
 can be sent off as soon as cases

to Polesi creek amies, we had
better wait a little - Can you
tell me to day or when the
Polemi river is all probably be
able to start?

Also can you find out by
wire - how many grown up males
there are in the party, as the strength of
the creek will depend upon this -
if they are mostly women & children
we need only send a heavy small
party of Polesi -

Yours truly
J. Hammick

Chief Secretary's Office

My dear Hammick,

Govt. does not wish
you to despatch your
police to Nassik till
we hear that the party
has a clean Bill of
Health. They should be
ready however to go
at a moment's notice.

Yours sincerely
(Ld) G. S. Forbes
